*Editorial*

Dear esteemed members,
Season's greetings & good wishes.

As the Lockdown 4.0 phase ends and a phased exit begins in India from 1st June, the total cases of Covid 19 has increased to 1,82,143 while the death toll has gone upto 5164 according to figures released on 31st May by the Ministry of Health. India is the ninth worst hit country in terms of number of cases. Though the Covid 19 has gathered momentum in May, the fatality rate in India remains much lower than the global fatality rate and experts agree that the Lockdown has pushed back the peak of infection giving the country time to strengthen its health care infrastructure. It is expected to peak in July and on its downturn, the curve is likely to drag till September. At some point in early July we may have to face a complete breakdown of health care infrastructure and hospitals may run out of beds to treat Covid cases. I sincerely hope that it doesn't come to that....

The only forward is to ride the storm. Covid is not going to magically disappear. The spike in cases is showing that our response to Covid 19 should not be about confining it to some impossible minimum, it should be about managing it to a handlable limit. As doctors – we are in the thick of this and can see the vector and the trajectory of this infection. In the absence of drug or vaccine, most of us are going to get infected over the next few weeks. But in 80% cases this infection would be completely harmless. Banking on “Herd immunity” to fight Corona virus is too large a risk for any nation and only timely interventions can mitigate the spread of Covid 19.

No matter who you are and how old you are, do not step out without a mask. Treat every individual you meet as an asymptomatic carrier and treat every surface you touch as potentially contaminated. Frequently sanitize your hands. Easing the Lockdown does not diminish the virulence or transmissibility of the virus. Our chances of getting infected today is 15 times more than what it was in the beginning of May and 100 times more by June end. Avoid stepping out as much as possible, particularly for nonessential activities. Living with the virus is not the same thing as socialising in the middle of a pandemic. Lockdown persists unabated. Please don't be complacent.

A quick glance on our IMA activities: We began well, we reached the halfway mark and the finish line is in sight! This month we have to observe **World Environment Day on 5th June** to stimulate worldwide awareness of the environment and to enhance political attention and action. This year the theme is “**Celebrate Biodiversity**”. With 1 million species facing extinction there has never been a more important time to focus on Bio diversity. Any Google image of the Amazon today delineates the extent of denudation. The impact of climate change is evident. So its impact on human health must be acknowledged too. The International Day Against Drug Abuse and Illicit Trafficking also known as “**World Drug Day**” to be observed on **26th June**. Community support is extremely important to prevent, treat, rehabilitate and accept those addicted to substances. Help break the stigma, be a good role model & messenger and empower young people.

There is nothing better to remind us that we are but a speck in this universe and our national borders are just vainglorious lines in the sand. However, this pandemic is also an opportunity for all of us to sit back and reexamine ourselves; perhaps this global crisis is telling us in its own brutal way to learn to live in the moment and live every moment. Let us all put our heart and soul together for a memorable and eventful year to cherish for a very very long time!

Long live IMA.

- Dr Anita N Rao

President's Message

Dear esteemed members,

I'm a doctor, I love what I do and nothing nobler than saving the life of human and make it livable.

“Nothing is more gratifying than the simple power of touch, a calming tone from your voice, a silent moment or a kind word,... all bring peace, thoughtfulness and healing to our patients.” - Deborah Moore-Tiko

I wish all of you a happy Doctors day 2020.

We are happy to know that all the district and local branches of IMA are actively involved with the administrators through the local taskforce for smooth management of the Covid hospitals. We are in constant touch with the Government and IMA Head Quarters and no stone is unturned to help the IMA members.

When we met Honorable Medical Education Minister, he expressed his satisfaction about the contribution of the IMA throughout the state.

Any deep crisis is an opportunity to make your life extraordinary in some way. It is a fact that we will need to learn to live with the virus, build our life and livelihood, and move ahead with activities by ensuring strong healthcare support systems around us. Developments of the past month reveal the uncomfortable reality that we may have to confront. The coronavirus may be with us for a long time, and we have to learn to live with it rather than hope to vanquish its threat. Safety and hygiene will be even more important in designing the post-lockdown world.

Throughout the history, crises of different forms have challenged humanity. Some are political or economic, others are natural disasters or social. How we interpret, react and bounce back from the crises of today is what will define how we survive the crises of tomorrow. Toughness is required for the long haul.

In sum, despite immediate hardships, a crisis is a messenger, and should be framed as an opportunity for reflection and reinvention.

As physical president visit may not be possible, we have initiated the Video

conference with all the branches of the Karnataka. We had good and successful interactive sessions with, Kalaburagi, Yadagiri, Mysore, Ballari and Bidar branches. In the coming days we will be sending the schedules of such online interactive meetings with the local branches. We request all the members of that branch to attend without fail. We from IMA will be sending a CD with details of Bye-laws, Welfare schemes in PPT form, Applications forms for all these, Local branch members details along with some of the important acts governing us. Kindly go through it and any help and guidance in this regard are most welcome.

Long Live IMA

- Dr. Madhusudana Kariganur

During visits of the State President to the local branches, we from IMA KSB will handover a CD containing the details as mentioned on the CD cover, to the respective local branches. To the other branches not covered, we will send the CD by post. The CD contains the LIST OF BRANCH MEMBERS OF THAT Particular branch ONLY in EXCEL format. We request the office bearers of that branch to send us list back to us to IMA KSB through mail imafocus@gmail.com after making any changes in the address, adding mobile number and Mail ids along with KMC Registration Number.

- Dr. Madhusudhana Kariganur
President, IMA KSB

Secretary's Desk

Dear IMA members

Wishing you all and your family members good health and safe stay at home.

As everyone is witnessing peculiar situations for the first time due to covid19 infection and whole country being in lockdown for 45 Days.

I would like to thank all the IMA members for your cooperation in fulfilling government instructions especially in opening of respective clinics.

Dear friends we apologise to each and everyone for failure of providing PPE kits.

President and I repeatedly requested all bureau crates, central health minister, IMA head quarters to take appropriate action in providing PPE kits, but it has become a global problem of scarcity of PPE kits.

Atrocities against doctors started again in so many places all over India, it's very unfortunate for our fraternity.

For the same reason our IMA Head Quarters called all India members protest in the form of white alert and black protest on 22 and 23 of April last month but fortunately a day before central government called our National IMA president and secretary for talks and agreed our greivences and promised to take necessary steps.

So IMA head quarters called it off and next day, our Central government brought the ordinance against the atrocities against the corona worriers. we should be very thank full to them,

But we should continue our effort to get the Bill against the atrocities on doctors and Medical establishments, I am sure we will definitely succeed in the coming days.

I once again request all local branches to arrange Medico legal workshops to make everyone well worsed with all Medico legal problems.

All our members should be well trained in prevention and epedemiological

aspects of Covid 19. Our government is bent upon our fraternity members to open the clinics and cater the non Covid patients but it is difficult for them to provide PPE kits.

Dear Friends please take maximum precautions to safe guard yourself and your family. Please do strictly follow all SOP'S,especially for senior citizens and for doctors with co morbid conditions.

Microbiologist says we are not safe until the development of herd immunity. We should hope for the best in the future.

Everyone should document complete history with written consent for every procedures.

Every local branch should have whatsapp group with communication with the police. Only solution is Documentation, Honesty, regularity, unity, Accountability

each everyone should be master in Medicolegal quiries.

Jai Hind. Jai IMA.

- Dr. S. Srinivasa

Woman Vice President Desk

Dear IMA members,

Wish you all a happy and prosperous Ugadi!!

“Degree is not important, Dedication is everything.”

At the Outset I would like to congratulate our newly elected IMA members, and best wishes to them. Here is my activity for three months. Attended the scientific workshop at 85th state conference Medicon which was held at Chamrajanagar.

On 3rd November, free medical health camp was conducted at government boys home, government girls home, reception centre, state home for women, children home for mentally retarded. Under department of women and child development, government of Karnataka, Bangalore. General health check-up camp. PAP smear, BMD, blood investigation Hb, RBS was done and convinced the inmates for further management. Team of doctors of different specialities participated.

On 5th November, it was shocking to see hooliganism by Karave activists on lady PG student of Minto hospital. Manhandled by the group of hooligans for not speaking in Kannada and humiliated her in uncivilised manner. Even then she continued her work and resisted with calm face. BMRCI, IMAKSB, it's all branches along with junior doctors participated agitation against harassment on doctors. We condemned the incident and requested for justice from the government.

On 6th and 7th Black badge protest was done. On 8th regarding atrocities against the doctors shutting down OPD services, attended the emergency patients. Memorandum submitted to thahasildar through Bangalore branch president. On 7th November one couple life membership was done. on 10th November, attended the IMAKSB 1st working committee meeting at IMA house Chamrajpet, Bangalore. Subcommittee formation and future plans were discussed.

On 1st December, attended the meeting held at IMA house, Bangalore. Get together meeting of zonal co-ordinates, district representatives, all branches presidents and secretaries talk was given by the president and senior vice-president. It allowed the members to discuss issue, take on responsibility, report back on the project and that everyone can stay informed what is happening at local branches

On 8th December, attended the national medico legal conference at Bangalore organised by IMA HQ, standing committee medico legal cell in association with IMA KSB and department of forensic medicine BMCRI Bangalore. It was attended by the national president elect Dr.Rajansharma, past national president Dr.RaviWandhedkar and other HQ office bearers, including our KSB office bearers.It was useful for our IMA members to face any medico legal

situation in routine practice, the basic medico legal knowledge and legally correct in medical practice. I should congratulate my colleagues Dr. Pavan Patil and Dr. Vijayakumar Jalli.

On 15th December, attended public health guest lecture, organised in well manner by IMA Bangalore branch. Nadi Pareeksha – Heart Disease- Nimma Prashnege- Namma Uttara By S.T. Yavagal, common disease of skin- Nataraj.

On 21st December CDE programme was conducted in association with Brains Neuro Spine hospital Bengaluru. On topic 'advances in neurosciences', by Dr. N.K. Venkata Ramana followed by Kannada Rajyotsava awardees for the year 2019-2020 Dr. Nagarathamma, Dr. T.H. Anjanappa and Dr. G.T. Subhash.

IMA Bangalore Branch, On 5th January, free medical health camp conducted at government Karnataka and urdu school premises Sarahandepalya Banashankari Bengaluru in association with Ahankura, more than 200 people attended, for women PAP smear, others BMD, blood investigations, ortho, gynaec, E.N.T, eye, family physicians, dermatologist, dental specialists gave treatment and few referral cases sent to government hospitals.

On 26th January, Republic day flag hosting was done by president of IMA Bangalore branch. Office bearers and few IMA members attended. After national anthem, sweet distribution was done.

On 30th January, Leprosy day was observed at government hospital. Service of IMA Bangalore branch, Indian Academy of Paediatrics and hospital administration. Fruits, biscuits, blankets and bags were distributed to the inmates.

Also there were activities and inputs from Dr Sowmya divisional co-ordinator Kolar, Chikkaballapur. (1) On Nov 2, We celebrated International elders day, and Gandhi Jayanti, Lal bahadur shastri Jayanti at Manasa Vrudhasharama, near Rangastala. We did a routine health checkup for around 20 elders on that day and advised accordingly. (2) On 24th October, a unique diabetic screening camp was started by IMA Chickballapur. Aim is to screen around 5800 diabetic patients for Retinopathy in a span of one year. With the help of DCBS and DHO of Chickballapur camp has been going on every Thursday. Also free laser treatment has been initiated to selected people once a month with the help of Vittala eye foundation. Till date 1047 diabetic patients have been screened and 70 of them have undergone laser treatment. (3) Hernia camp: 15 cases of hernia, inguinal, umbilical and congenital inguinal hernia were operated on 5/01/2020 at 5 hospitals and nursing homes in Chickaballapur. Surgeries were done free of cost, including investigations, mesh, suture materials, drugs and disposables by Bangalore Surgical Society and Indian society of Anaesthesiologists. Surgeries went on well, New IMA life membership- couples (2 nos), single (6 nos)

I would also like to thank Dr Rajendraprasad district representative Rural Bangalore.

LONG LIVE IMA.

-Dr. SUMATHI K BHAT

ಪ್ಲಾಸ್ಟಿಕ್ ತೃಪ್ಪಿಸಿ - ಪರಿಸರ ಉಳಿಸಿ

ಭಾರತೀಯ ವೈದ್ಯಕೀಯ ಸಂಘದ ಪ್ರಾರ್ಥನೆ

ಎಲ್ಲರೂ ಸಂತೋಷವಾಗಿರಲಿ,
ಎಲ್ಲರೂ ಆರೋಗ್ಯವಾಗಿರಲಿ,
ಎಲ್ಲರೂ ನೋವಿನಿಂದ ಮುಕ್ತವಾಗಿರಲಿ,
ಎಲ್ಲರೂ ದುಃಖದಿಂದ ಮುಕ್ತವಾಗಿರಲಿ,
ಎಲ್ಲಾ ಆಸೆ ಆಮಿಷಗಳನ್ನು ಮೀರಿ
ಗುಣಪಡಿಸುವವರು ನಾವಾಗಿರಲಿ.

IMA PRAYER

May everybody be happy
May everybody be healthy
May everybody be free from pain
May everybody be free from sorrow
May we be the healing cure
Beyond every greed & lure

FLAG SALUTATION

We, the members of Indian Medical Association stand here
to salute our national flag.

Its honour and glory shall be our light and strength
and its course shall be our course.

We pledge our allegiance to it and realizing our responsibilities as the
accredited members of this national organization, we swear
we will dedicate everything in our power to see
it fly high in the comity of nations.

Jai Hind !

Ref: IMA-KSSS/7470 /2020-21

To,
All Members of IMA's-KSSS
Old Existing Scheme & New Silver Jubilee Scheme

Date: 05/06/2020

Dear esteemed members,

Sub:- Regarding extending additional benefits during Covid-19 pandemic

The two video online meetings were held for M.C. members of IMA-KSSS on 19/05/2020 and 27/05/2020 and decisions taken are herewith brought to your kind information.

In view of ongoing Covid-19 pandemic and as medical fraternity, in particular members of IMA-KSSS are exposed to professional hazard, including loss of life. The MC members decided to extend following additional benefits to members of both schemes.

- A) It was decided to wave off Lock-in period if death occurs due to Covid-19 (Primary cause of death should be Covid-19 as declared in death certificate). This applies to members who have joined recently & not completed Lock-in period and new members who are joining hence forth in both the schemes. The lock-in period of 2 years in case of deaths due to other than Covid-19 will remain same.
- B) The death claim benefit under both the schemes to be enhanced to 1 ½ times in case death occur due to Covid-19 only (Primary cause of death should be Covid-19 as declared in death certificate).
- C) It is decided to collect additional 50% more DFC contribution for Covid-19 deaths and the same additional amount is accepted as donations (as per section-4 under rules and Bye-laws of IMA-KSSS). The DFC amount collected for Covid-19 deaths will be Rs.1500 per death in Old Existing Scheme and Rs.3750/- per death in New Silver Jubilee Scheme. This additional DFC contribution shall be collected from all the members of IMA-KSSS.
It is also noted that DFC collection for deaths due to other than Covid-19 will remain same ie., Rs.1000/- per death in Old Existing Scheme and Rs.2500/- per death in New Silver Jubilee Scheme.
- D) These additional benefits will remain in force for 2 years only from date of announcement.
- E) It is decide to give wide publicity to all the members of IMA-KSSS and members of IMA-KSB.
- F) The above decisions of MC are endorsed by legal opinion and financial advice, which are taken as per MC members' recommendations.

Please go through the above matter in detail. This is for your information and opinion as official General Body meeting cannot be called as per Government guide lines. We expect your full co-operation to publicize and encourage new membership to avail these additional benefits.

Dr.Yogananda Reddy Y.C.
Chairman, IMA-KSSS, Hubballi

Dr. K.T. Prakash Reddy
Secretary, IMA-KSSS, Hubballi
