Report of Antiquackery Sub-Committee: Chairman: Dr. Sandeep Prabhu :

I Dr Sandeep Prabhu chairman antiquackery subcommittee for the year 2021-2022 and all your nominated members of this important subcommittee wish to congratulate you and all office bearers on the successful completion of their term.

As highlighted in the SWC repeatedly that inspite of a large number of raids and cases being registered ie notice being issued by competent authorities over the last 10 to 12 years not a single case has been registered and referred to court .

This inaction on part of government lays to waste all efforts put in by this committee as well as previous committees.

Referring the names of quacks has led to harassment of committee members and exploitation by officials for their own selfish ends.

In my tenure I have taken permission both from the SWC and in the joint meeting of legal and antiquackery committee to file a PIL or issue a notice to the government for failing in the duties in implementation of KPMEA 2010. Inspite of repeated attempts and request the present President has stonewalled all our efforts without any reason.

The case to be filed against the government for allowing integrated medicine practitioners to practice modern medicine which our President was very enthusiastic has also not progressed inspite of repeated requests.

I wish to bring it to the notice of SWC that these subcommittee should not be merely ornamental but of some meaning. Every member in this committee are busy with their daily activities and spare time to do these activities for the betterment of society and organisation.

This type of discouraging attitude will not be helpful for future activities
 In my term all paper work for necessary legal procedures has been kept ready.
 Case against integrated medicine practitioners can proceed if President desires.
 Protest against online aggregators has been registered and needs to be followed up.
 Registration and Grievance committee needed for this activity has been formed in Dharwad district.
 We request future Presidents to be more interactive to have a meaning to this sub-committee.

A series of weekly meetings were here on virtual platform.

A detailed series of discussions were held.

Following issues of public health importance were discussed.

- 1) **JUNK FOOD:** A junk food is an ultra processed ready packed food containing very high levels of sugar & salt with poor nutritive value.

(A separate appendix regarding junk food description is enclosed with this report)

The increased trend of high consumption of junk food is one of the major culprit for rise non-communicable diseases like diabetes, hypertension, IHD, obesity & dyslipidemia.

Hence it was proposed to prepare & train up resource persons of IMA on this subject & in turn train up at branch level to bring awareness among the public through IEC activities.

Also it was proposed to make recommendations to the Government through IMA KSB to take stringent measures to curb on promotion & advertisement of junk foods like chocolates, biscuits, pizza, burgers, chips & cold drinks and other ultra processed foods containing abnormal amount of salt & sugars.

- 2) **ADULT VACCINATION PROGRAM:** In view of the increased geriatric population having lower immunity status, it through promote adult vaccination to protect against Covid & other many infectious diseases. Regarding this the subcommittee recommends mass adult vaccination for adults. We need to think of financial resources for implementation & make recommendations to the government through IMA.

A detailed chart of recommended immunization schedule is appended with this report

- 3) **PREVENTION OF TOBACCO AND ALCOHOL ABUSE:** By prevention of tobacco (smoking & chewing) & alcohol abuse many tobacco & alcohol abuse related diseases can be prevented. Hence we need to do lot of awareness activities regarding ill effects of tobacco through our local IMA branche by IEC activities.

MOST IMPORTANTLY WE THE DOCTORS & THE MEMBERS OF IMA BEING THE OPPOSTLES OF HEALTH SHOULD PLAY AN EXEMPLARY ROLE BY ARRANGING ALL OUR MEETINGS & CONFERENCES WITHOUT ALCOHOL. Many IMA local & state branches are following it.

Also the committee proposes to make recommendations to the government to restrict the tobacco sales.

Namely:

- a) To increase the tobacco & alcohol price exorbitantly high. Strict prohibition & sales of these items near the vicinity of schools & educational institutions.
 - b) To make rehabilitation of the tobacco growers & people involved in attack business by providing alternative jobs.
 - c) Smoking & alcohol consumption should not be glorified by the characters in TV serials & cinemas so that the young & teenagers are not badly influenced.
- 4) **Elimination of TB:** As it is one of the prime killer infectious disease of our country, we doctors & the members have got a pivotal role to play. Early detection, reporting & complete follow up of the schedule of treatment maintain deed of the hour.

We need to sensitize our IMA members by arranging CME programs on TB elimination with the help of & involving Health and Family Welfare Department.

- 5) **PREVENTION OF FAECAL BORNE DISEASES:** Even though plenty of toilets have been built, they are not properly used. Still many people are unaware of the importance of the use of toilets in the prevention of infectious diseases. Also the public toilets are not properly maintained & hence not used. We, through our local IMA branches need to conduct intense awareness through our local IMAs & other NGOs among the general public regarding this & involve local municipal authorities in popularising the use & maintenance of public toilets.

IMA KSB thank the chairman Dr AnnadaniMeti for covering the public health topics of interest

Basis for Qualified Opinion:

- a. Cash & Bank Balances are subject to confirmations and are taken as certified by IMA, KSB.
- b. It is not possible for me/us to verify whether the payments exceeding Rs. 10,000 have been made otherwise than by account payee cheque, bank draft, ECS or electronic modes prescribed in Rule 6ABBA, as the necessary evidence is not in the possession of the assessee.
- c. It is not possible for me/us to verify whether the loans/deposits exceeding Rs. 20,000 accepted or repaid otherwise than by an account payee cheque, bank draft, ECS or electronic modes prescribed in Rule 6ABBA, as the necessary information is not in the possession of the assessee.

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Association in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

APPENDIX-I TO THE INDEPENDENT AUDITORS REPORT

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Basis for Qualified Opinion:

- a. Cash & Bank Balances are subject to confirmations and are taken as certified by IMA, KSB.
- b. It is not possible for me/us to verify whether the payments exceeding Rs. 10,000 have been made otherwise than by account payee cheque, bank draft, ECS or electronic modes prescribed in Rule 6ABBA, as the necessary evidence is not in the possession of the assessee.
- c. It is not possible for me/us to verify whether the loans/deposits exceeding Rs. 20,000 accepted or repaid otherwise than by an account payee cheque, bank draft, ECS or electronic modes prescribed in Rule 6ABBA, as the necessary information is not in the possession of the assessee.

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Association in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

APPENDIX-I TO THE INDEPENDENT AUDITORS REPORT

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

ಧ್ವಜ ವಂದನೆ

ಭಾರತೀಯ ವೈದ್ಯಕೀಯ ಸಂಘದ ಸದಸ್ಯರಾದ ನಾವು ನಮ್ಮ ರಾಷ್ಟ್ರಧ್ವಜವನ್ನು ವಂದಿಸಲು ಇಲ್ಲಿ ನಿಂತಿದ್ದೇವೆ. ಅದರ ಗೌರವ ಮತ್ತು ವೈಭವವೇ ನಮಗೆ ಬೆಳಕು ಮತ್ತು ಶಕ್ತಿ ಮತ್ತು ಅದರ ಪಥವೇ ನಮ್ಮ ಪಥವು. ಮಾನ್ಯತೆ ಪಡೆದಿರುವ ರಾಷ್ಟ್ರ ಸಂಸ್ಥೆಯ ಸದಸ್ಯರಾದ ನಾವು ನಮ್ಮ ಜವಾಬ್ದಾರಿಗಳನ್ನು ಅರಿಯುವ ಮೂಲಕ ನಮ್ಮ ರಾಜನಿಷ್ಠೆಯ ಶಪಥ ಮಾಡುತ್ತಿದ್ದೇವೆ. ನಮ್ಮ ರಾಷ್ಟ್ರ ಧ್ವಜವು ಉನ್ನತ ಮಟ್ಟದಲ್ಲಿ ಹಾರಾಡುವ ಸಲುವಾಗಿ ನಮ್ಮ ಅಧಿಕಾರದಲ್ಲಿರುವ ಎಲ್ಲವನ್ನೂ ಅದಕ್ಕೆ ಸಮರ್ಪಿಸುವ ಪ್ರಮಾಣ ಮಾಡುತ್ತಿದ್ದೇವೆ.
