**Report of Antiquackery Sub-Committee: Chairman: Dr.Sandeep Prabhu**

I Dr Sandeep Prabhu Chairman Antiquackery committee year 23/24 at the beginning of the year under the presidentship of Dr. Srinivasa S addressed the president secretary meeting of local branches in Bangalore.

There was a good attendance from various branches and I spoke on the need to establish the proper formatted registration and grievance committee as per KPMEA rules.

We also requested all the presidents and secretaries to forward the names of illegal clinics in their districts.

I also gave them a template on how to establish the registration committee in a proper format

At the end of the year I have not received a single complaint from any branch in writing.

I have put forward a protocol that all complaints should be addressed to IMA KSB or me in writing so as to form a proper record.

It is very difficult for the subcommittee to establish a communication with various branches as the names and the phone numbers or not updated.

We have received a very poor response when we try to establish a communication and the most of and nobody has updated about the various changes and rules and most speak about their personal opinion rather than for the betterment of profession.

The registration and grievance committee have been defunct or acting in ad hoc manner in most of the districts.

We have observed differences of opinion and also accusation of graft taking in some districts

The Antiquackery subcommittee and most of its members participated in an article which was published in Deccan Herald regarding the activities of quacks.

IMA KSB had proposed to introduce a board which will display The KPMEA number and details of hospital by all registered establishments.

The health and family welfare has obliged and we are very thankful.

We also thank Mr Dinesh Gundu Rao Honourable Health Minister of Karnataka for his keen interest in abolishing quackery.

The health and family welfare has also given the Powers to the THO to inspect and file a FIR against unregistered.

Dermatology Association has objected to the use of lasers for hair removal and use of Botox and fillers in various fitness and beauty centres IMA KSB has taken 2 kn and forwarded the complaint to health and family welfare department.

The Antiquackery subcommittee has reviewed previous court orders against quacks and found three High Court of Karnataka judgements instructing the authorities in various districts to take action against these quacks but unfortunately we have seen no progress from them.

IMA KSB has forwarded the judgements to the relevant officers

Karnataka medical Council has finally been established and our dynamic past president Dr Yoganand Reddy has been elected as the chairman.

Under the guidance of various past presidents and members of bill has been passed empowering the Karnataka medical Council to fine the quacks and Inform the police to take action.

IMA KGF President Dr.D.Vijaykumar has done exemplary work in Raiding the quacks and is extensively working with the local officials to forward the FII hours to the court.

In Dharwad the registration and grievance committee has taken note of the quacks and we are pressurising the district commissioner to forward their complaints to “As a follow-up to the integrated medicine practitioners which is a follow-up of the efforts of Dr Mohan Appa G we have requested the health and family welfare to give us a list of the integrated practitioners IMA KSB feels the number of practitioners who are to be benefitted by the government order allowing them to practice is mixed up with a lot of illegal practitioners taking advantage of the act.

We have also requested the Karnataka medical Council to take note of the integrated medicine practitioners and discuss as to what action can be taken against them.

There have been arbitrary judgements by the lower courts giving state to various clinics till they acquire a KPMA which is an absurd thing and a gross misinterpretation.

Hundreds of affairs have been filed across Karnataka by the health authorities but these need to be brought before the proper registration committee and have to be forwarded to the court for prosecution.

If this is not done The efforts of this committee will go waste

I have been touch with various other state Antiquackery subcommittees and have been guiding them on how to go about.

AMR which is coming out by the Central IMA and the state government and central government can be used by as to curtail the antibiotic use by the quacks and Ayush doctors.

This will be a good weapon to be used in the fight against quackery.

In light of all the work that has been done by this committee our efforts are stone walled by the health and family welfare department which is not keen in forwarding the complaints however we do appreciate the efforts put in by all the THO and the DHO in implementing the KPMEA act.

The battle has been a long one and has a long way to go but expecting any IMA member to take personal action against these cracks will not yield any result until and unless a proper prosecution mechanism is in place I request the president to have a deep introspection in the upcoming council meeting and help us in solving this crisis.

### 15.Any other Business with the permission of president

E Voting / Online Voting: The matter was earlier brought for discussion in the State Council Meeting held at Belagavi on and asked IMA-KSB to consider adopting e voting / Online Voting system in the State Branch elections. After a good deliberation on the issue, it was decided to refer the matter the matter to the digital committee to study the feasibility and submit the report. The digital committee studied and analyzed the issue and gave its report back to the IMA-KSB SWC with suggestions that at this point of time it's not feasible to adopt E voting / online voting system for the state branch elections and however, it will keep exploring the possibilities.

In the AGM many members expressed the E voting / online Voting will be difficult to implement for the following reasons.

- 1) The voters list of IMA-KSB changes every two years and it is difficult to update all their details in the voters list.
- 2) The total number of votes to be casted at a time is more than 180 and it will be difficult for the server to support this.
- 3) IMA Head Quarters also not adopted online /E Voting system for its elections.

Considering all the issues it was decided to continue the existing method for the coming elections

Requests for permission to conduct sports activities by Mysore, Yelahanka, Raichur. The house agreed to give permission and decide on dates suitably.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. ## APPENDIX-I TO THE INDEPENDENT AUDITORS REPORT

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### ಧ್ವಜ ವಂದನೆ

ಭಾರತೀಯ ವೈದ್ಯಕೀಯ ಸಂಘದ ಸದಸ್ಯರಾದ ನಾವು ನಮ್ಮ ರಾಷ್ಟ್ರಧ್ವಜಕ್ಕೆ ವಂದನೆ ಸಲ್ಲಿಸಲು ಇಲ್ಲಿ ನಿಂತಿದ್ದೇವೆ.

ಅದರ ಗೌರವ ಮತ್ತು ವೈಭವವೇ ನಮ್ಮ ಬೆಳಕು ಮತ್ತು ಶಕ್ತಿ ಮತ್ತು ಅದರ ಪಥವೇ ನಮ್ಮ ಪಥವು.

ಈ ರಾಷ್ಟ್ರೀಯ ಸಂಸ್ಥೆಯ ಮಾನ್ಯತೆ ಪಡೆದ ಸದಸ್ಯರಾದ ನಾವು ನಮ್ಮ ಜವಾಬ್ದಾರಿಗಳನ್ನು  
ಅರಿಯುವ ಮೂಲಕ ಅದಕ್ಕೆ ನಮ್ಮ ನಿಷ್ಠೆಯನ್ನು ತೋರಿಸುವ ಪ್ರತಿಜ್ಞೆ ಮಾಡುತ್ತಿದ್ದೇವೆ.

ದೇಶಸಮೂಹಗಳ ನಡುವೆ ನಮ್ಮ ರಾಷ್ಟ್ರಧ್ವಜವು ಉನ್ನತ ಮಟ್ಟದಲ್ಲಿ ಹಾರಾಡುವ  
ಸಲುವಾಗಿ ನಮ್ಮ ಅಧಿಕಾರದಲ್ಲಿರುವ ಎಲ್ಲವನ್ನೂ ಅದಕ್ಕೆ ಸಮರ್ಪಿಸುವ ಪ್ರಮಾಣ ಮಾಡುತ್ತಿದ್ದೇವೆ.

ಜೈಹಿಂದ್
