EDITORIAL

Dr. B. DEVDAS RAI

World Heart Day is celebrated every year on 29 September.

In May 2012, world leaders committed to reducing global mortality from non-communicable diseases (NCDs) by 25% by 2025. Cardiovascular disease (CVD) is accountable for nearly half of all NCD deaths making it the world's number one killer. World Heart Day is, therefore, the perfect platform for the CVD community to unite in the fight against CVD and reduce the global disease burden.

Created by the World Heart Federation, World Heart Day informs people around the globe that CVD, including heart disease and stroke, is the world's leading cause of death claiming 18.6 million lives each year, and highlights the actions that individuals can take to prevent and control CVD. It aims to drive action to educate people that by controlling risk factors such as tobacco use, unhealthy diet and physical inactivity, at least 80% of premature deaths from heart disease and stroke could be avoided.

World Heart Day is a global campaign during which individuals, families, communities, and governments around the world participate in activities to take charge of their heart health and that of others. Through this campaign, the World Heart Federation unites people from all countries and backgrounds in the fight

against the CVD burden and inspires and drives international action to encourage heart-healthy living across the world. We and our members believe in a world where heart health for everyone is a fundamental human right and a crucial element of global health justice.

As the world struggles to fight COVID-19, we've never been more aware of the importance of our and our loved one's health. Cardiovascular disease (CVD) remains the world's number one killer, resulting in 18.6 million deaths a year. It has many causes: from smoking, diabetes, high blood pressure and obesity, to air pollution, and less common conditions such as Chagas disease and cardiac amyloidosis.

For the 520 million people living with CVD, COVID-19 has been heartbreaking. They have been more at risk of developing severe forms of the virus. And many have been afraid to attend routine and emergency appointments, and have become isolated from friends and family.

This year on World Heart Day, the theme is to USE HEART TO CONNECT. The healthcare crisis we've all been living through has highlighted an urgent need to find different and innovative ways to connect people to heart health, particularly in lower resource areas and communities.

Harnessing the power of digital health to improve awareness, prevention and management of CVD globally is our goal for World Heart Day 2021. Tele-health has a huge role to play as we continue to USE HEART TO BEAT CVD.

Use heart to connect is about using your knowledge, compassion and influence to make sure you, your loved ones and the communities you're part of have the best chance to live heart-healthy lives. It's about connecting with our own hearts, making sure we're fuelling and nurturing them as best we can, and using the power of

digital to connect every heart, everywhere.

Disconnected hearts are at greater risk of heart disease and stroke due to lack of access to CVD prevention, treatment and control – yet half the world's population doesn't have access to internet connectivity.

Technology and data will help us bridge the gap and do it fast. It is about enabling and empowering everyone, everywhere – young and old, men, women and children, patients, community health workers, doctors to use digital tools for better prevention, diagnosis and care of heart-related conditions.

Look after your heart by eating a healthy diet, saying no to tobacco and getting plenty of exercise. Digital tools, like phone apps and wearables, can really help you to get motivated and stay on track.

If you have an underlying health condition, such as heart disease, heart failure, diabetes, high blood pressure or obesity, don't let COVID-19 stop you from attending your regular check-ups. And never avoid calling the emergency services if you need to – it's safe and medical professionals are there for you.

There are 520 million people globally living with CVD that have been disproportionately affected by COVID-19 in the last year. Due to increased vulnerability to more severe forms of COVID-19, this population has been told they are vulnerable, at-risk and should shelter in place.

There are many consequences of this, amongst them : Missing medical appointments, Lack of contact with family and friends and Reduced physical exercise. Digital networks have the power to connect patients with families, friends, other patients, doctors and care-givers. No one should have to feel alone, pandemic or not, so let's use technology to overcome isolation and gaps in care.

PRESIDENT'S MESSAGE

Dr. M. VENKATACHALAPATHY

Dear Esteemed Members,

It's a time of mixed feelings for me, on one hand happy that during last one year I have been able to serve one year & also sorry to have ended so fast my tenure as President.

September month was busy with visits to many local branches like IMA Ron branch which inspite of being one of the smallest branches invited me for inaugurating its new IMA building which is highly laudable. I visited IMA branches of Chitradurga, Mudhebihal, Talikote, Sindagi, Indi, Bijapura and Hoskote. It was great to see Indi branch enrolling 13 Doctors on a single day as life members and also Hoskote branch enrolling 10 members during my visit. Personally it was a great honour for me to receive the IMA Shivamogga Oration 2021 during my visit to IMA Shivamogga. IMA-MSN has taken its responsibility to involve itself in IMA activities which I could experience during my visits to Dr. B.R. Ambedkar Medical College, Subbaiah Medical College, Shivamogga Institute of Medical Sciences, Al-Ameen Medical College and Sri B.M Patil Medical College of BLDEA University. Every where the delegation of IMA was given a

grand welcome and reception. I was given an opportunity to present the current plight of medical profession and various plans of action that we should embark upon. I wish to invite all our members to join hands to conduct IMA-MSN Conference on 10.10.21 at IMA Karnataka State Branch.

IMA Karnataka State Branch has always encouraged sports at all levels. To that end we have financially supported the National IMA Olympiad which is taking place in Nashik, Maharashtra. We are sending some of our best sports persons to participate at the sports meet to represent IMA Karnataka State Branch. I participated in Dr.Sommanna Memorial Badminton Tournament held at Tumakur on 25th and 26th of September 2021.

We had a special State Working Committee Meeting on 26.09.21 to discuss the upcoming IMA Karnataka State Annual Medical conference 87th MEDICON 2021. IMA Siraguppa expressed its inability to conduct Medicon due to covid, lack of Pharma interest, shortage of time. However, since it has expressed its interest to host oration and business hours of IMA-KSB, it

was decided in the meeting to conduct IMA Karnataka State Branch Medicon at Jindal Township on 30.10.2021 & 31.10.2021 following strict covid guidelines. Hence I take this opportunity to invite all members to participate in Medicon & encourage smaller branches to take up big responsibilities.

Since this will be my last message as President of IMA Karnataka State Branch, I wish to thank all people who helped me, supported me and encouraged me directly or indirectly in all my endeavors. I wish to thank my family members, my parents, my wife Dr.Anitha.D and my daughter who have always stood by my side all the time, my seniors, juniors and friends who have

always spared their valuable time to work with me. My special thanks to my colleagues Dr.S.M.Prasad, Dr.Karunakara.B.P, Dr.Uma Sheshagiri, Dr.Jaspalsingh H Tehalia, Dr.Dinesh Hedge, Dr.Shivanand Kubsad, Dr.Vinay and Dr.Soumya.Y.J last but not the least I will fail in my duty if I don't acknowledge the immense support I got from Dr. Y.C. Yogananda Reddy, Dr.Honnegowda and Dr.Madusudhan Kariganuru who were available everywhere and anywhere at any point of time to help me out. I also assure the new incoming team headed by Dr.Suresh Kudva all the support from my side & wish them all the best for their future.

Thanking one & all

Stay Safe

Long live IMA

ಭಾರತೀಯ ವೈದ್ಯಕೀಯ ಸಂಘದ ಪ್ರಾರ್ಥನೆ

ಎಲ್ಲರೂ ಸಂತೋಷವಾಗಿರಲಿ,
ಎಲ್ಲರೂ ಆರೋಗ್ಯವಾಗಿರಲಿ,
ಎಲ್ಲರೂ ನೋವಿನಿಂದ ಮುಕ್ತವಾಗಿರಲಿ,
ಎಲ್ಲರೂ ದುಃಖದಿಂದ ಮುಕ್ತವಾಗಿರಲಿ,
ಎಲ್ಲಾ ಆಸೆ ಅಮಿಷಗಳನ್ನು ಮೀರಿ
ಗುಣಪಡಿಸುವವರು ನಾವಾಗಿರಲಿ.

IMA PRAYER

May everybody be happy
May everybody be healthy
May everybody be free from pain
May everybody be free from sorrow
May we be the healing cure
Beyond every greed & lure

FLAG SALUTATION

We, the members of Indian Medical Association stand here to salute our national flag.
Its honour and glory shall be our light and strength and its course shall be our course.
We pledge our allegiance to it and realizing our responsibilities as the accredited members of this national organization, we swear we will dedicate everything in our power to see it fly high in the comity of nations.

Jai Hind !

Long Live IMA!

VICE PRESIDENT'S MESSAGE

Dr. Shivanand Kubsad

Dear respected members,

“Greetings and Regards”

It was a wonderful year for me to interact with you all as a Vice President. It was a great honor for me to be the vice president of IMA Karnataka. I wish to thank all the members and seniors for bestowing a great responsibility on me. But I feel little sad, as I could not do much as a office bearer, due to various health problems. On the other hand, it was a wonderful year, full of activities and visits to many branches, by our untiring State President Dr. M. Venkatachalapthy, even amidst the pandemic. It was most appreciable. He addressed many branches and gave knowledge about IMA and various schemes. I personally wish to congratulate him and his team of office bearers. Dr. B. Devdas Rai needs a special kudos for being a versatile editor of IMA Focus, the official magazine of Karnataka IMA.

India is aging, as there is a shift of age groups from younger to elderly because of better health facilities and improved living conditions in India. India's elderly population (aged 60 and above) is projected to touch 194 million in 2031 from 138 million in 2021, a 41

per cent increase over a decade, according to a report by the National Statistical Office (NSO). There are deep concerns around these ageing population and stressing the need for India to plan for a changing population structure. There will be around 93 million males and 101 million females in 2031 up from 67 million males and 71 million females in 2021. We observe October, 1 as the “International Day of Older Persons”. It is to raise awareness about the issues affecting the elderly such as senescence and elder abuse. Our duty is not only to solve the problems about the elderly but also to respect them for their contribution to family and society. It is a day to pledge to gain knowledge from them and to reassure them for their health, respect and well being and also the longevity of them. The 2017 United Nations Report on World Population Ageing, claims that by 2030, the people aged 60 years or above are expected to outnumber children under age 10. So the health needs have to be planned for this shift of age group variability. We, as health personnel have high responsibility of setting goals for the health needs. We must plan accordingly to uplift the geriatric medical facilities and cater to the needs of senior citizens, and surprisingly many of us are also

the members of this elder club! On this day of elderly people, let us think of needs and requirement of these people, which should encompass assisted living, adult healthcare, nursing care, hospicare, promoting independence, improving physical mobility,

etc.. The theme for International Day for Older Persons for 2021 is 'Digital Equity for All ages'. As the digital divide prevails between the elderly and young people, it becomes imperative to train them to be digitally aware and join the mainstream of the daily activities.

Long live IMA

SECRETARY'S MESSAGE

Dr. S.M. PRASAD

Dear Senior IMA members and IMA members,

Greetings from IMA KSB

It is comfortable to know that the infectivity and sero-positivity rate of the Covid-19 is at low level. This has allowed us to carry out the regular work of clinics, nursing homes & hospitals. But still we need to exercise more precautions as many other viral infections are on rise due to warm humid conditions in many places. I request you all to continue the same Covid appropriate behaviour and extra care during our work as the expected 3rd wave (if at all) rises. We are seeing many unfamiliar viral infections in children & community. All those of us especially with co-morbid conditions need to be more alert.

Our IMA annual MEDICON -2021 is approaching. There will be 5 Orations at the time of 87th IMA Karnataka State Annual Medical conference (87th MEDICON-2021).

They are - IMA-KSB Prof.Dr.Nanjundaiah Memorial Association Oration, Endowment Oration, Prof. Dr.S.V.Govinda Setty Memorial Oration, Prof. Dr.R.H.N. Shenoy Oration: (Co sponsored by Dr.R.H.N. Shenoy Felicitation Committee), Dr.A.K.N. Sinha Oration.

Felicitations to eminent IMA Members - Ten Eminent Members of IMA who have done yeomen services in the different fields like Literature, Sports, Politics, Medical Services, Social Services etc., will be felicitated in the

inaugural function of the 87th IMA Karnataka State Annual Medical Conference (87th MEDICON-2021).

Medicon-2021: 30th (Saturday) and 31st (Sunday) October, 2021. It will be a physical meeting at Jindal venue, Thoranagallu, Vidyanagar and virtual platform for those who can't make it. Registration fee per member attending is Rs.2,500/- and for accompanying members also will be Rs.2,500/-. For Physical presence, RT-PCR test is mandatory as per their protocol at Jindal township even if 2 doses of Covid vaccinations have been received. The validity of the test is 72 hours at entry as with guidelines.

I thank IMA Siriguppa branch office bearers for hosting Medicon-2021.

We are happy to inform you that from 1st October to 30th November, 2021 (2 months), IMA headquarters and IMA Karnataka State Branch will be conducting membership drive to enrol new IMA members. I request all of you to use this opportunity to spread the message to all Allopathy Doctors to become IMA members before the due date. From 01-12-2021, regular membership fee will be back.

On behalf of IMA KSB and office bearers, I thank all of you especially Presidents, Hon Secretaries, Treasurers, office bearers of branches for carrying the IMA KSB President visits at all your branches in an effective way. These visits to the

branches and also medical colleges across our Karnataka State have started giving the excellent results. Our younger generation Doctors and medical students have come to know the importance of IMA. Many medical students across our state are now aware of many things to take forward. I thank our IMA KSB President Dr. M.Venkatachalapathy for his effort and effectively delivering and carrying the “Sandeesh” (message) of IMA & benefits all over.

On behalf of IMA KSB, I take this opportunity to thank Senior IMA members Dr Honne Gowda, Dr.Yogananada Reddy, Immediate Past President Dr. Madhusudan Kariganur & Past Hon Secretary Dr.Srinivasa S.

I thank Dr. Suresh Kudva, our President of IMA KSB for 2021-22, Dr.Shivakumar B Lakkol our President of IMA KSB for 2022-23 for encouraging us for all activities during the year.

I thank our Vice Presidents Dr. Uma Sheshagiri, Dr. Dinesh Hegde, Dr.Jaspal Singh Tehelia, Dr.Shivanand Kubsad for their constant support.

I thank our Hon State Treasurer Dr.B.P. Karunakara for his exclusive monitoring and our Joint State Secretary Dr H. N. Vinay for all inputs, Assistant State Secretary Dr.V.J. Soumya for her constant support throughout the year 2020-21. I thank our IMA KSB PRO Dr.Raveendra Kaje for all communications and support. I thank all our Past Presidents of IMA KSB for their encouragements.

I thank all our esteemed IMA KSB Chairmen of various Sub committees - Academic committee Dr. Harish Delanthebattu, Disaster management committee Dr. Honne Gowda, Legal cell Dr. Y. C. Yogananda Reddy, Building committee Dr. Madhusudan Kariganur, Finance committee Dr Srinivasa S, Rules & Bye law committee Dr.Sarveshraje Urs, Awards Sub Committee Dr.Chiniwalar, Membership drive committee

Date : 30th Sept. 2021

To,
The Presidents and Hon. Secretaries
Local Branches of IMA in Karnataka

Dear Sir/Madam,

SUB : Membership fee for "Membership Drive months" from 1st October to 30th November, 2021.

We are happy to inform that IMA Hqrs. has taken up the membership drive from 01-10-2021 to 30-11-2021 for encouraging the Allopathy Doctors to become IMA members by giving nearly 25% discount in the HFC amount in both Headquarters and State contributions.

Kindly use this opportunity to enrol more members from all your branch areas. Also, consider this period to give some offers from your branches to enrol more members in your area and intimate separately about your IMA branch member enrolments through mail during this period to IMA-KSB email: imaksbpresident@gmail.com

During the above period from your local branches you need to send only the following HFC to state branches.

HFC to IMA KSB during Membership Drive Amount (1-10-2021 to 30-11-2021)		Regular HFC Amount to IMA KSB 1-12-2021 onwards	
Single Life Member	Couple Life Member	Single Life Member	Couple Life Member
Rs. 8,400.00	Rs. 12,500.00	Rs. 11,000.00	Rs. 16,500.00

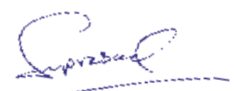

- Existing local branch fee/subscriptions to be collected and retained by the respective local IMA branches as before.

Please Note: It has been directed not to exceed the respective branch fee and consider for offers if any to increase by your side. Details of same can be sent separately in mail to iamkasbpresident@gmail.com as we forward it to IMA Headquarters.

Use this unique opportunity to make your doctor friends and family of doctors as IMA members.

Dr. M. Venkatachalapathy
President

Dr. S. M. Prasad
Hon State Secretary

BRANCH ACTIVITIES IN SEPTEMBER

Branch : Chikkaballapura President : Dr. Prashanth S. Murthy
Secretary : Dr. H.S. Madhuvan

IMA Chickballapur organised a CME on Oncology in association with Cyte care hospital, Bangaluru. CME was attended by around 60 members. Another CME was held. It was attended to be 54 members.

Branch: Gadag President : Dr. Prakash K. Dharana
Secretary : Dr. Vishwanath S. Kulkarni

On 2nd September 2021: Formal meeting was conducted and discussion was conducted with Paediatricians of IMA Gadag regarding surge in respiratory and febrile illness cases in Paediatric patients.
