EDITORIAL

From the Desk of
Dr. K G Shankarnarayana

Greetings to all the members of IMA Karnataka,

Delighted to be addressing you all in my first editorial of this prestigious publication of our State IMA. Would like to convey my thanks to all the seniors and esteemed members of this organization for electing me unopposed as the Editor of the IMA Focus for the year 2022-23. I would like to thank all the previous editors of IMA Focus for all the good work they have done so far. For this year we have a very talented editorial team which will work to the best of our abilities to bring glory to our organization.

On behalf of the Editorial board I would like to convey our appreciation to the outgoing team of IMA KSB led by Dr Kateel Suresh Kudva for an eventful and memorable tenure culminating in a well attended conference - 88th IMA Medicon - held at Moodabidri from 28th - 30th of October 2022. A good blend of scientific sessions, record number of papers and e-posters along with an impressive cultural programme were the highlights of the conference.

Congratulations to the newly elected team of office bearers for the year 2022-23. Under the able leadership of President Dr S B Lakkol with Honorary Secretary Dr Karunakara & under the guidance of seniors like Dr Honnegowda, Dr Y C Yoganand reddy, Dr Madhusudan Kariganoor, I am sure that IMA Karnataka will reach greater heights in the coming years.

I would like to take this opportunity to request all the branches across the state to complete the requirement of having their Annual General Body meetings and announce their office bearers for the year 2022-23 at the earliest. It has been noticed that only some of the branches comply to this requirement before 1st October. I urge all the branches to streamline this process so that we have uniformity in all the branches of our state.

As most of you are aware the following important events are observed during the month of November,

- 1) 10 th November - World Immunisation day
- 2) 14 th November - World diabetes day
- 3) 16TH November - World COPD day
- 4) 17th November - National Epilepsy day
- 5) 15th to 21st November - New born care week

I request the Presidents and Secretaries of all the branches to make note of these important dates and carry out public awareness programmes highlighting the same. It is a very important objective of our association to spread the accurate knowledge about these ailments to the general public and educate them. In the present age and time of Google we very commonly see people resorting to all sorts of self medications leading to catastrophic outcomes. So it is our duty to instill confidence in the public to trust medical professionals and follow the right treatment to their ailments.

Long live IMA, Thank you all.....

“ಎಲ್ಲರಿಗೂ ಕನ್ನಡ ರಾಜ್ಯೋತ್ಸವದ ಶುಭಾಶಯಗಳು”

PRESIDENT'S MESSAGE

Dr. Shivakumar B Lakkol

Greetings to all

Today is the most memorable day of my life. The reason is being the president of the Karnataka state branch of Indian Medical Association, the world's largest private organization. Our association having lofty goals of providing medical services by adopting new discoveries and improving public health by revitalizing medical knowledge from time to time through its 180 branches in Karnataka state and has around 28 thousand doctors as members.

This is evidenced by the extraordinary progress made in the field of health in our country, where the percentage of deaths has come down considerably and our life expectancy is more than seventy years.

In addition to this, the deadly covid-19 pandemic has been effectively handled in our country with government and private partnership and then given immunization vaccines to the largest number of people in the world and set a world record. This is the result of the continuous efforts of the government and private medical staff of our country. It is honor and pride for our circle and country.

Our Dear, Immediate past state president of Indian Medical Association, Dr. Mr. Kateela Suresha Kudava, Mohan Alva, Chairman, Alvas Educational Institution, who inaugurated the conference. Chief Guests, Hon'ble Shri V. Sunilkumar, Minister, Department of Energy, Kannada and Culture, Guests Dr. M.K. Ramesh, Vice-Chancellor, R.G.U.H.S. And another guest Mr. Kishora Alva, Executive Director, Adani Power Limited.

The seniors on the stage, the outgoing state president Dr. Katil Suresh Kudwa and all the office-bearers of his term, Dr. Shailesh Amarkhed, Dr. Rajeshwari Anugol, Dr. Narayana Murthy, and Dr. Prasannashankar, State Secretaries Dr. B.P. Karunakara, Treasurers Dr. Vijayaradhy.A, Joint Secretary Dr. Anita.D, Internal Auditor Dr. Rajendra Prasad.S, Public Relations Officer Dr. Pavan Patil, Elected state president Dr. Sirnivasas, our salutations to all the seniors who have helped in all my programs till and have built our association to reach this level.

Also, the makers of Sahitya Vidyalyoka of Jainakashi Moodbidri, who allowed us to hold this conference, Dr. To Mohan Alva and all his staff, to all the members of the Indian Medical Association Karkala Branch who hosted this conference, Medicon Organizing Secretaries and Dr. Y. Sudarshan Rao, my salutations to all the former presidents of the Indian Medical Association State Branch, to all the medical friends who responded positively to our call, to the family members, to the public, to all the friends of the press and visual media.

Moodbidire is known as "Jainakashi" which is named as Moodbidire because it is a bamboo growing town in the eastern direction. Totally 18 temples, 18 Jain basadis and 18 lakes are very special in Moodbidire. Moodbidire, which has been making strides in the field of education in recent years, has a rich history. Mahakavi Ratnakara Varni Mudubidire wrote one of the famous poems of Nadugannad, Bharatesha Vaibhava. Proud to hold the state presidency in this medical conference being held at such a historic place.

First of all I would like to express my heartfelt gratitude to all the members of the association who have elected me to this post. In the direction of keeping this Indian Medical Association built by seniors forever in the minds of the people, I am putting before you several innovative projects and seeking your cooperation for their success.

1. The Karnataka branch of the Indian Medical Association welcomes the government's positive plans to address the shortage of doctors in rural medical services without harming the modern medical system. In this regard, our association has already started "I.M.A. Nade Halliya Kade" project and it will be promoted.
2. In our rural country, the services of family doctors are essential. Medical services are out of reach of the common man due to the current culture of specialists and corporate culture. Perfect medical education is essential if we are to be successful in improving patient-physician relationships. The time has come to re-mainstream family medicine, which sees the

patient closely and holistically. In this regard, pressure should be put on the government to create new master's degrees in family medicine. Our doctors are happy to work in the village environment if the government provides a favorable environment. The attention of the concerned will be drawn by organizing a conference on this at the state level.

3. We recommend appropriate changes in the rules and regulations of the National Medical Commission Bill and not compromising on its autonomy. Sections 32, 50 and 51 should be removed which are harmful to the modern medical field and allow half-baked doctors to play with people's lives. Apart from this, any kind of fake medical degree creation will be resisted by us.
4. Menace of fake doctors - According to an official study, there are one million unregistered unqualified doctors in our country who are playing with the lives of patients. It is far from the truth that there is a shortage of doctors in our country, doctors are reluctant to serve rural areas and the available private doctors are expensive. The irony is that there are several laws to rein in the graduated doctors but there is no law for these bogus doctors who do not have any qualified degree, if exists it is not effective. It is our responsibility to eliminate the fake doctors who are plagued across the state of Karnataka. The government should not show leniency to bogus doctors who only capitalize on the helplessness of patients. My concern is that the honorable ministers should take action to bring a law to prevent the menace of fake doctors. I will try to fight this legally through the Anti-Quackery Sub-Committee of our state branch.
5. Increasing violence and assaults on doctors and medical staff - These types of incidents reduce the mental strength of doctors and lead doctors to resort to the negative practice of postponing cases even if they are feasible and leave patients struggling. This is the condition of those who are fighting day and night for the health care of the people. A law should be implemented to quickly arrest and punish those who attack like this. There should be a change in the existing law so that the guilty cannot get bail. Likewise, the Doctor's Protection Act should be implemented. We will try to study this through the sub-committee of our state branch and submit a report to the government.
6. Difficulties in implementing the KPME. It is difficult to get NOC from the fire department by the already existing to small and medium-sized hospitals in taluks and cities that are providing excellent medical services at low rates. In this regard, we are putting pressure on the government to implement the Fire Safety Act in our Karnataka simplified for hospitals, thereby reducing the cost on the patients.
7. Indian Medical Association wants to participate in all national and state level health programmes. Our association should be enabled to participate in shaping all government work activities. I hereby request the government to facilitate us in fulfilling our social responsibility.
8. "Stop female foeticide, save and nurture girl child" program is a meaningful program of Indian Medical Association. In this regard, we will join hands with all government and non-government organizations. In this context, governments need to change the trend of flogging only doctors and develop programs to educate the masses.
9. I request all office bearers to carry out continuous medical education campaign in their respective branches.
10. A lot of programs have been put in place for the career development of all the members of the Indian Medical Association. In this regard we are hoping to build a hall with all facilities for medical programs at our Sangh location in Doddaballapur.
11. KPPS, KSSSS and KSHS are the best schemes for the welfare of us and our members' families., I hope to upgrade the projects and increase the number of its members.
12. I.M.A. President's speech. On 23rd of every month at 9 pm, a dialogue program will be organized through internet platform for all the members of Karnataka. All the branches are requested to actively participate in this.
13. A workshop will be conducted physically in each district center on Sunday with the heads of various departments. I am asking the officials of the branches coming in that district to participate.
14. 20 different sub-committees have been formed under the state branch through which all the development works are planned to be carried out effectively.
15. Activation of women doctor branches in all local branches.
16. The Kannada Vaidya Barahagarara Samithi is doing very well. I will improve it further and make sincere efforts towards the best.
17. From the point of view of environmental protection, paperless transactions may become inevitable in the near future. Because of this, small and medium-sized

hospitals have to rely on expensive software available in the market to store medical records. Their purchase and maintenance costs are also expensive. Simplifying this and having a very low rate IMA. We have developed hospital software. All members are requested to avail it. It will be released at the next executive meeting.

18. Junior Doctors and Medical Students Associations like IMA MSN and IMA JDN are the future of IMA and they will be strengthened.
19. To increase the number of members of Indian Medical Association for successful execution of all projects.

All members feel free to share their grievances with Karnataka branch.

All those who take care of the health of the society, I request you always pay attention to your own health.

I assure that all the functioning of Indian Medical Association will be transparent.

My heartfelt thanks to all my doctor friends from Rona Branch of Indian Medical Association and Gadag Branch who have supported me till now.

I am very much grateful to the man behind the who is always guiding everyone and the man behind the concept introducing the IMA KPPS with low premium as low as Rs 2000/- for ONE Crore Professional Protection in Karnataka

and also the man behind giving the death benefit of Rs 94 lakhs to the bereaved families of doctors who died of Covid through IMA KSSS who is none other than Dr.Y.C.Yogananda Reddy.

I am grateful to the man who always 'I am with you' and rushed to help during the Nepal earthquake, and solved many difficulties that the association had faced who is none other than Dr.Honnegowda.

I will always be grateful to Dr. Madhusudan Kariganur who will be always remember for his Editorials and always works for the IMA.

I am very much thankful to my wife Mrs. Chandrakala and son Dr. Triyambakeshwar for their cooperation.

My gratitude to our state branch office staff, My heartiest congratulations to the President and Secretary for successfully conducting the 88th Karnataka State Branch Conference, My gratitude to all the doctor friends gathered here, their families, special invitees and all the friends who have come from far away. Finally, I would like to conclude my presidential address by once again saluting everyone and wishing them the best wishes for the upcoming Karnataka Rajyotsava.

There is strength in unity

Hard work pays off

Long live the Indian Medical Association.

Long Live IMA

ಭಾರತೀಯ ವೈದ್ಯಕೀಯ ಸಂಘದ ಪ್ರಾರ್ಥನೆ

ಎಲ್ಲರೂ ಸಂತೋಷವಾಗಿರಲಿ,
ಎಲ್ಲರೂ ಆರೋಗ್ಯವಾಗಿರಲಿ,
ಎಲ್ಲರೂ ನೋವಿನಿಂದ ಮುಕ್ತವಾಗಿರಲಿ,
ಎಲ್ಲರೂ ದುಃಖದಿಂದ ಮುಕ್ತವಾಗಿರಲಿ,
ಎಲ್ಲಾ ಆಸೆ ಆಮಿಷಗಳನ್ನು ಮೀರಿ
ಗುಣಪಡಿಸುವವರು ನಾವಾಗಿರಲಿ.

IMA PRAYER

May everybody be happy
May everybody be healthy
May everybody be free from pain
May everybody be free from sorrow
May we be the healing cure
Beyond every greed & lure

Long Live IMA

SECRETARY'S MESSAGE

Dr. B P Karunakara

Dear Esteemed members of IMA Karnataka,

Greetings from IMA Karnataka State Branch!

Dear all, in my first message from the desk of Hon secretary, with sincere gratitude for the confidence placed in me by our beloved President Dr. Shivakumar B Lakkol Sir, esteemed seniors and past Presidents, working committee members, well-wishers and every member of the state branch, with an unswerving resolve to honor that trust, I humbly accept this responsibility with folded hands. I sincerely THANKING YOU for giving this opportunity to me to serve this great organization.

First of all, congratulating all the esteemed members of the IMA KSB TEAM 2022-23, led by our beloved President Dr. Shivakumar B Lakkol Sir.

I take this opportunity to assure you to follow the footsteps of the remarkable leaders of the state branch who have made important and lasting contributions to the welfare of the doctor's fraternity & medical profession. Promise to uphold the values and dignity of the IMA & the profession. I extend my deepest respect and appreciation to all the leaders who have served the organization.

For an incoming Secretary, it's time to ponder over what the years ahead would hold and how will I deliver at the helm of

the affairs of this dynamic organization. I am confident, with the guidance of the President, all the seniors and active participation and guidance of our team; it will be a memorable journey. We promise to deliver on all accounts, to the satisfaction of the members.

Working committee members are the backbone of the branch. Calling upon the members to do their best and excel and make your work counted. We look forward to identify and utilize the talent and skill, experience of the members for the furtherance of the organization. Rewarding hard work and excellence to boost morale, making everyone accountable for his/her own action or inaction in our functioning.

The aim of the office is to serve the interest of the members. Member's feedback is an important component of a dynamic organization. Requesting everyone to feel free to give constructive suggestions, criticism, and actively participate in the functioning of the branch.

I am your chosen man, working for your welfare. I will be working on and representing the organization on behalf of you. I will always keep that in mind while discharging my duties. You guide me from time to time and feel free to reach out to me anytime.

Jai Hind!

Jai Karnataka!

Long live IMA!

Couple life membership Rs. 16,530/-

IMM PAST. PRESIDENT'S MESSAGE

Dr. Kateel Suresh Kudva

|| ಕರ್ಮಣ್ಯೇವಾಧಿಕಾರಸ್ತೇ ಮಾ ಫಲೇಷು ಕದಾಚನ ||

As per above slogan, we at IMA KSB, all office bearers, office bearers of all IMA local branches, have involved our self in all round activity to take IMA to greater heights in last one year.

I was installed as President of IMA KSB on 30th October 2021 at JVS, Vidyanagar, Toranagallu and completing one year on this auspicious day, the 29th October 2022 at Lavas Nudisiri VEDIKE, Vidyagiri, Moodbidre. We have assumed the office in the midst of Corona Pandemic, however all office bearers of the state and local branches have put up all round show of activities like CME programmes, Sociomedical activities, Family Get togethers and Sports activities. IMA Hubli has Excelled by getting the road leading to IMA Hubli named as "IMA Road" by Municipal Corporation of Hubli. IMA Bangalore branch has set a record number of activities, at least one activity per week, having Women President on power. IMA Belgaum, Gadag, Mangalore, Yelahanka, Udupi, proved best in their category by all round activities. Flood Light cricket of Hassan was no less than any National Cricket. IMA Davanagere, Mangalore, Hubli and Koppal also organised Cricket tournaments in befitting way. IMA Mandya organised "Silver Jubilee of Somanna Memorial Shuttle Tournament " in very disciplined way.

This year all the Vice Presidents have actively participated in IMA branch visits of their respective area along with State President. Dr.S.Y.Mulky Patil was instrumental in reviving IMA Naragund branch, Dr.K.R.Kamath was successful in reviving remote IMA Mundgod branch, Dr.Prasanna Patil, Divisional Co-ordinator of Yadgir revived IMA Surapur branch, where as Dr.Anuradha Paramesh Woman Vice President has opened a new IMA branch at K.G.Halli, Bangalore, on

20th October, 2022. More than 1500 New IMA Members have joined IMA KSB this year through various branches thanks to Chairman Membership Drive Committee, & P.R.O Dr.G.K.Bhat.

Under the Chairmanship of District Co-ordinator of each district, District Council was formed involving President, Secretary, State Council Member, Central Council Member & Members of State Working Committee of respective district to improve IMA activities in respective districts, like Common CME Programmes, Training Programmes, Get togethers, Sports activities etc.. This has improved IMA activities, Unity and friendship in the districts. Uttara Kannada district has excelled by promoting a Common Biomedical Waste Management Plant at Ankola, helping all Medical Establishments in the district, which has earned 7lacs profit in the first year it self, which is again utilised for district council activities like CME. This model should be followed by other districts also in coming years.

Another new plan we implemented was "Federation of Medical Associations (FOMA)". President and Secretary of each speciality association under the Chairmanship of District Coordinator of IMA KSB was formed at district level to enable common activities like CME, Training programmes, Get togethers and sports etc. Members of specialist association are encouraged to join IMA by offering our good schemes like KSSS, KPPS & KSHS. In turn Specialist organisations not only join IMA, will sponsor CME programmes for IMA members. This has been well implemented in Mangalore where all members of specialist association are IMA members and they are sponsoring all CME programmes of IMA. This model is the need of the hour to improve unity, friendship and co-operation among medical fraternity of all speciality to address our issues.

We had local branch President & Secretaries meet on Zoom platform on every first Tuesday of the month, Sub-Committee meetings on second Tuesday of the month, WDW meetings on third Tuesday of the month and Hospital Committee meetings on fourth Tuesday of the month. In addition we conducted Academic Committee meetings on every Wednesday, Medical Education Committee meetings on every Fridays and Kannada Sahitigalondige Charche programmes on every Sunday at 6.30pm by Dr.N.Veena from Sullia. More importance was given to help MSN by arranging clinical case presentations in all subjects in zoom platform, ICMR project training, Quiz etc. Public Health Committee under the chairmanship of Dr.Annadani Meti planned activities like Adult Vaccination, Adverse Effect of junk Food on Health, Tobacco free Karnataka and Prevention of water borne diseases. Pharmacovigilance week was celebrated by befitting programmes by Pharmacovigilance Committee. Dr.Geeta Doppa, women Doctors Wing Chairperson has opened more than 61 new WDW, in IMA branches with befitting programmes and WDW Conference at Hubli. Dr.S.Y.Mulkyapatil, Dr.Shivakumar Kumbhar and Dr.G.N.Prabhakar organised IMA AMS National Leaders meet at Hubli and IMA AMS Conference at Gadag, which was appreciated by all.

Kannada Barahagarara sub committee performed

exceedingly well under the Chairmanship of Dr.Aravinda Patel. Bimonthly Vaidya Sampada is improving quality in each issue 3rd Vaidya Barahagarara Sammelana at Dharwad was well attended. Programmes conducted by this committee during State conference at Kuvempu Hall and felicitating two writers in Kannada Vaidya Sahitya and Kannada Sahitya in memory of Dr.Shamprasad of Doddaballapur, endowment donated by his wife Dr.Indira and Kannada Vaidya Sahitya Hastapatri and Kannada Sahitya Hastapatri donated by students of Dr.Sunanda Kulkarni was laudable. Release of Book “Syringe Hidida Kai Pennu Hididaga”, write up of 65 Doctors of their memorable experiences was Dr.Annayya Kullal's gift to IMA KSB.

88th Medicon of IMA KSB at Moodbidri was a great success. Colorful Venue, beautiful natural antique decoration, tasty food and banquette, useful brain storming scientific sessions and international standard entertainment programme of Alvas students was appreciated by all. The Paper and Poster presentation for P.G Students was arranged for the first time in the history of IMA Conference at Karnataka. The record number of 158 paper and poster presentations really made the organisers happy. On the whole this was the best conference in last 40 years.

Discussion is an exchange of thoughts and knowledge “promote it”

Argument is an exchange of ego and ignorance “avoid it”

Satisfied life is better than successful life

Because of our success is measured by others

But our satisfaction is measured by our own soul, mind and heart

Never try to defeat “anyone”

Just try to win “everyone”

Don't laugh at any one but Laugh “with everyone”

Secret of every successful relationship is transparency

TOGETHER WE CAN

JAI HIND

JAI KARNATAKA

IMA-KSB STANDS WITH TUMKUR DOCTORS

President Dr. Shivakumar B Lakkol & Dr. Karunakara BP, Hon.Secretary, President elect Dr. Srinivas S visited the IMA Tumkur branch on 07-11-2022 6.30pm, on an emergency visit.

An emergency meeting was called to take stock of things, express solidarity to the aggrieved doctor and discuss on needful steps about the unfortunate incident of a pregnant woman not getting admitted in the district hospital and delivering at home and died in the process and subsequent drastic actions against the doctor of Tumkur District hospital on 02-11-22.

HIGHLIGHTS

- Dr. Usha, the obstetrician & Gynecologist, the dr involved with the case, briefed about the incident. Highlighted patient's reluctance and refusal of admission despite repeated efforts
- President Dr. Shivakumar B Lakkol expressed IMA KSB solidarity to the aggrieved doctor and assured support of IMA KSB.

- Assured that IMA KSB will stand with the decision of the IMA TUMKUR branch on the issue.
- Decided to work in coordination with all the concerned to get the justice.

Jai HIND! Long Live IMA!

Yours Sincerely
Dr. KARUNAKARA BP
Hon. Secretary, IMA KSB

HIGHLIGHTS OF IMA KPPS

(IMA Karnataka State's Professional Protection Scheme)

By Dr K G Shankarnarayana (with inputs from Dr Madhusudana Kariganoor)

I am sure most of our members have availed Professional Protection / Indemnity schemes offered by various insurers to safeguard their interests in the event of any complaints of medical negligence. This article is to make them aware of our own scheme effectively implemented by IMA KSB. There are plenty of reasons for all of you to switch over to our own scheme instead of the schemes offered by other insurers.

The highlights are mentioned below...

- 1) It is based on mutual contribution concept, more the number of members in the scheme the less will be the amount that one has to pay every year.
- 2) General practitioners & all specialists are covered with same premium as all the members belong to IMA as one without any differentiation.
- 3) It covers the individual member's practice irrespective of the place of practice and also number of consulting places in Karnataka. This is a very important point to be noted as all other insurers insist on giving details of the places where each one practises. In case you practice /operate in a place which is not mentioned in the policy they refuse to indemnify you if any adverse event takes place.
- 4) Guidance & Help is available right from the time of filing the complaint / reply to notice unlike other insurers who just compensate after the penalty is awarded. Guidance and help at the most stressful time is what everyone needs.
- 5) The scheme covers up to 1 CRORE with a very reasonable premium. At the time of joining one has to pay a very basic amount of Rs 3100. Other insurers charge between 10000 – 20000 every year for the same amount of coverage.
- 6) Yearly premium is just Rs 500 unless there is a compensation awarded in that year. Even if a compensation amount of Rs 1 crore is awarded the amount to be shared by all the members will come to just Rs 5000 to 6000 per member which is very low. Other insurers charge the same premium every year whether there is any compensation awarded or not.
- 7) With other insurers even if one has a coverage of Rs 1 crore, only 40 – 50 % can be claimed per accident / incident which is mentioned in the policy document as AOA (Any One Accident) and AOY (Any One Year) which not many are aware. So the insured will have to bear the remaining amount from his pocket. But in IMA scheme whole amount is shared which I feel is the biggest advantage of IMA KPPS.
- 8) This scheme is very advantageous particularly for those who are starting their careers after completing graduation / post graduation / super specialization as the contribution per year is very nominal.
- 9) There is a tie up with Pan India legal firm PSL Advocates and Solicitors which has an office at Bangalore. They will help the members throughout as per the requirement.
- 10) Since it works on mutual contribution concept, more the number of members less will be the share borne by each member. So I hereby request all the members of our state to join this scheme at the earliest and save a considerable amount of their hard earned money which they are paying to the private insurers.

I HAD OPTED FOR A SCHEME BY A PRIVATE INSURER SINCE THE LAST 25 YEARS OF MY PRACTICE BUT ONCE I REALISED THE ADVANTAGES OF OUR OWN SCHEME I DISCONTINUED PAYING THE HEFTY PREMIUM TO MY PREVIOUS INSURER. WHAT PREVENTS YOU FROM DOING THE SAME ??????????

PS: For more details please contact any office bearer of IMA KSB or visit our websites www.imakarnataka.in or www.imakppsbengaluru.org for more details and application forms.
