As we enter this Holy month of Basavajayanthi and Ramadan, lets become more compassionate and each one of us grow individually in more empathetic way.

Not just preach things but practice before we preach. We reap what we sow, lets sow the quality of humanity in our children to enjoy the better world.

Big congratulations to all the stalwarts, office bearers and members of IMA Gadag for wonderfully organising the State working council meeting.

"The strength of the team is each individual member. The strength of each member is the team."

we must now understand that the association means numbers, we must have huge numbers for getting any policies and rules done from the government.

"No one can whistle a symphony. It takes a whole orchestra to play it"

"Each One Enroll One" make this as our slogan and lets each one of us contribute in making our association more stronger.

Following are the important medical days

1) The world Asthma day:- 03-05-22- "Closing Gaps in Asthma Care"

It is celebrated to raise awareness about asthma all over the world. The day is also known to create awareness about the need to improve asthma-related communication and educate people more about this medical condition.

It is a substantial global health problem, with increasing prevalence rates in many countries. It has previously been estimated that the prevalence of asthma in India is about 3% (30 million patients), with a prevalence of 2.4% in adults aged >15 years, 7 and between 4% and 20% in children. It is one of the leading causes of morbidity and mortality in rural India and is projected to increase in the coming decade

Allergy seasons are likely to become longer and grow more intense as a result of increasing temperatures and increasing co2 levels caused by humanmade climate change, according to new research from the University of Michigan.

There are widely prevailing myths and misconceptions about asthma which needs to be addressed and we being the medical professionals it's our duty to educate patients regarding the same. And also, we should be more careful while using the oral corticosteroids judiciously, in spite of their life saving ability

they should also be weighed by the side effects and used appropriately.

2) **International Thalassaemia Day :- 8-5-2022 “Be aware share care”**

It is celebrated to raise awareness amongst people concerned with decision and policy making, health care professionals, patients and their families and community at large, about thalassaemia

Hemoglobinopathies are inherited disorders of red blood cells. Being an important cause of morbidity and mortality, they impose a heavy burden on families and the health sector in our country. India has the largest number of children with Thalassaemia major in the world – about 1 to 1.5 lakhs and almost 42 million carriers of β (beta) thalassaemia trait. About 10,000 -15,000 babies with thalassaemia major are born every year

The World Health Organization has clearly outlined the goals for control of hemoglobinopathies - provide affordable and adequate therapy for those affected, while at the same time reduce the number of births of children with the disease through strong political, administrative and financial support. National Health Mission provides optimal treatment to those affected and prevent the birth of children with disease through carrier screening, genetic counseling and prenatal diagnosis.

The only cure available for these children with thalassaemia major is bone marrow transplantation (BMT) more appropriately called hematopoietic stem cell transplant (HSCT). It helps only few patients because of cost, paucity of BMT centres, or non-availability of a suitable HLA

matched donor. So the mainstay of treatment is a regimen of regular blood transfusions followed by adequately monitored iron chelation therapy to remove the excessive iron overload-as a consequence of the multiple blood transfusions.

3) **World no tobacco day:- 31-5-2022- “Tobacco: Threat to our environment”.**

It is observed by focusing on many ways in which tobacco threatens the environment we live in. From start to finish, the tobacco life cycle is a polluting and damaging process. Across the globe around 3.5 million hectares of land are destroyed to grow tobacco each year. Growing tobacco also contributes to the deforestation of 200 000 hectares a year and soil degradation. Tobacco production depletes the planet of water, fossil fuel and metal resources. 4.5 trillion cigarette butts are not disposed properly every year across the globe, generating 1.69 billion pounds of toxic waste and releasing thousands of chemicals into the air, water and soil.

The 2022 global campaign aims to raise public awareness about the environmental impact of the entire tobacco cycle, from its cultivation, production and distribution to the toxic waste it generates. The campaign will also aim to expose the tobacco industry's effort to greenwash its reputation and to make its products more appealing by marketing them as environmentally friendly.

PRESIDENT'S MESSAGE

Dr. Kateel Suresh Kudva

My dear esteemed members,

Greetings from IMA KSB,

Every test in our life makes us bitter or better,
Every problem comes to break us or make us,
The choice is ours whether we become
Victim or Victor.

State Council Meeting held at Gadag on 24th April 2022 proved leadership capacity of IMA Gadag President Dr.Pyar Ali Noorani and Secretary Dr.Aravind in particular, coupled with experience of Dr.Pavan Patil and Past Presidents of IMA-KSB from Gadag District, Dr.G.B.Bidinal, Dr.R.S.Bellary and Dr.Annadani Meti. Gadag district has given six past State Presidents and one more Dr.Shivakumar Lakkol is going to join that list. soon.

The delicious food, comfortable stay and warm hospitality made every body to remember the event forever. It is our duty to take IMA to greater heights by way of activities and good needy amendments without personal prejudice. Good leaders are those who create more leaders. We should create such opportunities by infusing more young leaders.

CWC meeting was successfully attended by myself, Secretary Dr.S.M.Prasad, IMA.KSB past President Dr.Venkatachalapathy, Dr.Anitha.D. IMA-KSB Finance Committee Chairman and IMA Headquarters Standing Committee for Child Health Dr.S.Srinivas and CWC members Dr.Sharanappa, Dr.Shivkumar Kumbhar, Dr.B.G.Halgekar, Dr.Anjali Halgekar, Dr.A.S.Sarvesha Raje Urus, Dr.K.S.Karanth, Dr.G.K.Bhat, Dr.K.Ravindra, Dr.Suresh Halsangimut, Dr.Jaspalsingh H. Tehalia, Dr.K.C.Raju Reddy, Dr.S.Prasannashankar, Dr.G.B.Bidinal, Dr.R.S.Bellary, Dr.Annadani M. Meti, Dr.Karaveeraprabhu Kyalagonda and Dr.G.N.Prsbhakar, National IMA AMS Chairman. All enjoyed nature of Shimla with horse and buffalo. riding whereas myself, Dr.S.M.Prasad and Dr.Srinivas also visited Wagha boarder military parade and Golden Temple at Amrithsar. There was good discussion on violence on

doctors quoting Dr.Archana Sharma issue, CPA amendment-2019, Biomedical Waste issues and Hospital Board of India. Information of hiking HFC was given from April-1. I have requested IMA Headquarters that it should give concession in HFC only in the month of July as was being followed in yester years than announcing irregularly. President Dr.Sahajanandaprasad Singh was given the responsibility of convincing central Govt. to bring amendment to CPA 2019 to specifically exclude medical profession from ambit of CPA and central act on Violence on doctors. Certain steps of NMC like Charak Shapath and National Medical registry by NMC were also discussed.

This month I have visited Yelahanka on 29.04.2022 along with Dr. Anuradha Paramesh Woman Vice-President, Dr.S.M.Prasad, Hon. State Secretary, Dr.G.K.Bhat, P.R.O, Dr.S.Srinivas, Chairman, Finance Committee & National Child health Committee and Dr.Sharanappa, Vice Chairman Building committee, IMA KSB. IMA Yelahanka under the Presidentship of Dr.K.G.Shankar Narayan, is doing exceedingly well. They have done all round activity like regular CMEs, Trecking, Sports, Dance competition, Drama and even Cinema. Rapid action Committee of yelahanka is the best one in the country and all doctors are practising tension free, thanks to this committee. Membership in all schemes of IMA KSB is best in the state. They give all credits to advice given by senior leader Dr.Sharanappa without whom they could not have done all round performance. They even have their own website and digitalised the branch. HATS OFF TO IMA YELAHANKA. HIP HIP HURRAY.. We visited IMA Kolar on 30/4/2022 where in we had district council meet of IMA Kolar district. Dr.Anuradha Paramesh, Women Vice-President and Dr.G.K.Bhat P.R.O, IMA-KSB, accompanied me. Dr.Narayanawamy, President, IMA Kolar, Dr. Devraj, Secretary, IMA Kolar, Dr.Venkatachalapathy, President, IMA Srinivasapura, Dr.Doddabhadre Gowda, IMA Mulabagilu and all members of IMA Kolar attended in spite of heavy rains. Many members of Women Doctors wing of IMA Kolar under chairperson Dr.Hemavathi outnumbered male doctors. In

spite of Covid19, all round activity profile of IMA Kolar is admirable. Next morning we visited all historical temples in Mulabagilu Anjaneya temple built in Tretayuga by Arjuna, 5000 years ago and Vinayaka temple of single saligramastone. We visited IMA Hoskote on 01.05.2022 Sunday. All the members if IMA Hoskote participated actively in the discussion and promised to join all the schemes of IMA-KSB. Women Doctors Wing of IMA Hoskote Branch was inaugurated and Dr. Geetha Nagaraj announced as Chairman and Dr. Anitha as Secretary.

I attended 24th RGUHS Convocation on 30.04.2022. Governor of Karnataka & Chancellor of university honoured nearly 100 students of university with Gold medal and majority of them were ladies. This shows how ladies are performing in our country and contributing to Nation. Dr.Bharati Powar, Hon'ble Union Minister of State for Health and Dr.K.Sudhakar, Hon'ble Minister for Medical Education and Health & Family Welfare were guests of honour. Dr. B.N.Gangadhar, Former Director of NIMHANS and present president of Medical Assessment and Rating Board of NMC, New Delhi. from Bangalore and Dr. Rajan

Deshapande, Past Sr. Vice President of IMA-KSB from Dharwad were awarded with doctor of science on this occasion by His excellency the Governor of Karnataka. IMA KSB congratulations both of them and will send appreciation letter.

We are planning to visit remaining 5 districts Chamaraj Nagar, Chikkamagalur, Shivamogga, Haveri and Davanagere by May and start planning of annual conference at Moodbidre. I hereby request each one of you to register for the conference at the earliest. The registration fee by June 30th is Rs.4000/- After June, but by August 31st 2022 is Rs.5000/- and afterwards till October 29.2022 is Rs.6000/-. Accompanying person fee is Rs.3000/- and MSN and PGs Rs.4000/- through out. Reception Committee member fee is Rs.10000/- as usual. Regarding accommodation name of hotels and tariff will be given in website www.imakarnataka.in as also local travel agent for local travel at reasonable rates. SECRETARY'S MESSAGE

Dr. S.M. PRASAD

***Dear Seniors, colleague, esteemed members & friends,
Greetings from IMA KSB!!***

I am happy to be a part of IMA family in Karnataka and to participate in most of the activities under IMA Karnataka. It is our duty to protect the interests of our allopathy doctors & safeguard the medical profession at large. We have many schemes under IMA KSB and IMA headquarters for any allopathy doctor in India, to look after the academics update, care and protection of the individual IMA member as well as their family, while they become member of many beneficial schemes like KSHS, IMA Karnataka Social Security Schemes- old and silver jubilee schemes and Karnataka Profession protection schemes. When you compare head to head to any of the insurance, private or government (for public), all of our schemes score very much higher in benefits to IMA life members as expressed by many of the insurance company officers.

Most of our central working committee members from Karnataka attended the CWC meeting in Panchakula, Haryana on 16th & 17th April, 2022. IMA observed National Protest day on 2-4-2022 upon unfortunate incident suicide of Dr. Archana Sharma of Dausa (Rajasthan). Wearing of black badges and closing of OPD's & non-emergency services from morning 8am to 6pm were observed. With the intensity of protest in Rajasthan by doctors, Rajasthan government was forced to remove the Superintendent of Police and suspended the SHO who were dealing with the concerned case. Local politicians were also arrested for abating the suicide of the doctor. Points were also discussed on Consumer protection act, Bio medical waste issues, Nursing home registration & issues on hospitals and public notice issued by the NMC. All of our CWC members met all the national office bearers at the meeting.

From IMA KSB, all of our office bearers are in regular discussions with President & secretaries of many of the local IMA branches, chairmen and members of various sub-committees under IMA KSB and district co-ordinators with regular monthly meetings to know about the activities or concerns of local branches.

Now, with the concerns of expected 4th covid wave in India, we need to be more careful while at work or moving in public places. If the expected viruses are deviant like omicron with lesser hospitalisation and mortality it is better. If it is a variant like the 2nd wave causing many hospital admissions as well as getting exposed at work places need to be of more concern to all of us. Please exercise cautions with covid appropriate behaviour (CAB) and comply with recommended vaccinations, we as medical fraternity get easy exposure and becoming dangerous to families and friends. Also, all of us need to announce the importance of vaccinations to children and adults irrespective of age. PREVENTION IS BETTER THAN CURE.

I would like to thank all our office bearers of IMA KSB, Chairmen, conveners, members of various Sub-committees under IMA KSB and all our supporting senior members for encouragements.

Also, I would like to mention that we will be sending the SMS messages under IMAKRN from IMAKSB. Please go through the same when sent as only important messages will be sent to IMA members.

"It is not just the unity but also the numbers are also important to represent at all levels in society, hence encourage more allopathy non-members to become IMA life members & thereon members for all schemes under IMA KSB"

SR. VICE-PRESIDENT'S MESSAGE

Dr. S.Y. Mulkipatil

“Hard Work beats talent, when talent doesn't work hard”

Dear Members,
IMA KSB & IMA Hubballi Branch
Greetings....

WHO Theme for 2022 on World Health Day is “Our Planet, Our Health” It signifies, the importance of saving and caring our planet. Because of ongoing pandemic, pollution, looking at the scenario, is pollution in environment? or in the minds too?? probably we need to introspect ourselves, otherwise nature knows how to clean it. It's alarming to all of us to take care of our environment including flora fauna.

All IMA Branches are working as per direction of IMA HQ and IMA KSB, still we need to get united to face the untoward incidents happening continuously. I

heartily request all members to please participate in all activities of IMA and strengthen the hands of IMA.

In May month, we have series of health related activities, World Thalassaemia day on 8th May, International Nurses day on 12th May, who really are working with all of us, wish them and support them, 25th May World Surgeons Day, 31st May Anti Tobacco Day, lets observe/celebrate all these days by involving and taking some activities.

We are organising IMA Hubballi Annual CME - 2022 / National Leaders Meet / Golden Moments Celebration of IMA Hubballi on Saturday 28th May 2022 and also IMA Women Doctors Wing State Conference on 5th June 2022, Kindly take active participation.

Keep good work and get better name to IMA

Thanking you all
