## EDITORIAL

**Dr. Soumya Y.J.**

***Knowledge is power, Information is liberating and Education is the premise of progress, in every society, in every family.***

We all have the knowledge and information regarding medicine but most of us lack knowledge and information regarding financial management.

Understanding money is an important part of life. Managing money requires building some basic financial knowledge.

When it comes to starting a career, we are at a disadvantage. While most settle down into their first jobs in their early twenties, we start earning in our 30's. We lack expertise in financial matters and fall for financial jargons used by investment advisers and product distributors. We need to give some time to gain knowledge and become financially literate. Whether we choose to invest in real estate or stocks, we require some degree of wise financial planning. It just requires some time and attention to gain this knowledge.

We should have lectures/talks on financial management regularly during our CMEs, because knowledge is power and knowledge is king.

I congratulate the whole team of IMA Hubballi for conducting the Annual CME in a spectacular way. My best wishes to the WDW Hubballi branch for conducting annual women's conference and wish the conference a grand success.

Following are the few important days

### **1) 5/5/22 - World Environment Day - Only One Earth**

World Environment Day (WED) was established in 1972, which shows that concern about the environment goes back several decades. Around 143 countries take part in World Environment Day and the day focuses on environmental concerns ranging from pollution to global warming and sustainable food production to protection of wildlife.

World Environment Day 2022 is hosted by Sweden. "Only One Earth" is the campaign slogan, with the focus on "Living Sustainably in Harmony with Nature".

2022 is a historic milestone for the global environmental community. It marks 50 years since the 1972 United Nations Conference on the Human Environment, widely seen as the first international meeting on the environment.

WED urges all of us to protect our natural surroundings. We all should form groups and participate in activities to keep our environment clean and do our best in creating a better

environment for us and our forthcoming generations.

## **2) 8/5/22 - World brain tumour day- Together We Are Stronger**

Every year 8th of June is celebrated as World Brain Tumor Day. This initiative was initially taken by German Brain Tumor Association and is now celebrated worldwide to raise awareness and educate people about the brain tumor.

The theme for this year is, Together We Are Stronger- Promoting the value of teams, Partnerships and collaborations in Neurological care and Research

The incidence of central nervous system (CNS) tumours in India ranges from 5 to 10 per 100,000 populations with an increasing trend and accounts for 2% of malignancies

As most of the brain tumour initially present with very nonspecific complaints, early diagnosis by a neurosurgeon or neuro physician helps plan further management in initial stages of the disease. CNS tumours encompass a very broad spectrum with regards to age, location, histology, and clinical outcomes. Advances in diagnostic imaging, surgical techniques, radiotherapy equipment, and generation of newer chemotherapeutic and targeted agents over the past few years have helped improving treatment outcome.

Government of India has introduced National Cancer Control Programme with the objectives of prevention, screening, early detection, diagnosis and treatment including palliative care in end stage.

There are many myths and misconceptions about the tumors which should be corrected by us while educating the patients.

## **3) 14/5/22 - World blood donor day - Donating blood is an act of solidarity**

World Blood Donor Day (WBDD) is held on June 14 each year. The event was organised for the first time in 2005, by a joint initiative of the World Health Organization, the International Federation of Red Cross and Red Crescent Societies. It is the birth

anniversary of Karl Landsteiner who was awarded the Nobel Prize for his discovery of the ABO blood group system.

The Day was created to raise global awareness of the need for safe blood and blood products for transfusion and it highlights the critical contribution made by voluntary blood donations. Also, to support national blood transfusion services, blood donor organizations and other nongovernmental organizations in strengthening and expanding their voluntary blood donation programmes by reinforcing national and local campaigns.

For 2022, the World Blood Donor Day slogan is "Donating blood is an act of solidarity. Join the effort and save lives. Spotlighting the importance voluntary blood donations.

The specific objectives of this year's campaign are to raise awareness of the need for increased investment from governments to build a sustainable and resilient national blood system and increase collection from voluntary non-remunerated blood donors. We doctors know how difficult it is to arrange for the blood needed during the emergency. IMAs should come forward and develop their own blood banks which will help us in the time of need. My sincere appreciation and gratitude to all the IMAs who have their own blood banks standing as an example to all others.

Other activities that would help promote the slogan of this year's World Blood Donor Day may include organising mega blood donation camps, donor appreciation ceremonies, social networking campaigns, special media broadcasts, social media posts featuring individual blood donors with the slogan, workshops etc

Giving blood is a life-saving act of solidarity and that services providing safe blood and blood products are an essential element of every health care system.

Wish you all Happy doctors day in advance.

# PRESIDENT'S MESSAGE

**Dr. Kateel Suresh Kudva**

## **My dear esteemed members,**

Discussion is an exchange of thoughts and knowledge,

Promote it.

Argument is an exchange of Ego and ignorance,

Avoid it.

This month we visited remaining five districts, i.e. Chamarajanagar, Chikkamagaluru, Shivamogga, Haveri and Davanagere and remaining branches of Belagavi district and completed visit to all the district councils of IMA KSB.

On 7th and 8th May, myself, Vice President Dr.K.Nagesh, PRO Dr.G.K.Bhat and district coordinator Dr.Prasanna Shankar visited IMA Hunsur, IMA K.R.Nagar, IMA Kollegal, IMA Chamarajanagara, IMA Nanjangud and IMA Mysore(East). Women Doctors Wing was formed on this occasion in all these branches. On 14th and 15th May myself, PRO Dr.G.K.Bhat, Divisional Co-Ordinator Dr.M.K.Bhat, District Co-Ordinator of Chikkamagaluru District Dr.Anitha Rao, and District Co-ordinator of Shivmogga District. Dr.Hareesh Delantabettu visited IMA Koppa, IMA Chikkamagaluru, IMA Kadur-Birur, IMA Tarikere, IMA Bhadravathi, IMA Shivamogga, IMA Shikharipura, IMA Ranebennur, IMA Haveri district Council meet where IMA Haveri, IMA Savanur, IMA Hanagal and Byadagi joined. Later we visited IMA Harihar and IMA Davanagere on 15th May, IMA Sagar and IMA Thirthahalli next day.

IMA Koppa building is under construction. We appreciate that IMA Chikkamagaluru members have built their IMA Building from members contribution only. Kadur-Birur IMA Building is in Two acre land by

the side of Highway and planning for blood bank.

IMA Tarikere is planning to procure land for their IMA Building. Hence all branches of Chikkamagaluru district are vibrant.

IMA Bhadravathi is conducting lot of Sociomedical activities under leadership of Dr.Veena Bhat. She is source of inspiration to all. IMA Davanagere branch promised to start IMA MSN and JDN wings. IMA Thirthahalli branch is very active running blood bank and dialysis centre.

All the branches of Belagavi district we visited on 30th May, IMA Sankeshwar, IMA Nippani, IMA Chikkodi, IMA Gokak, IMA Bailahongal are having their own building and conducting all round activities i.e. CME, Sociomedical activities, Sports, Family get togethers. IMA Chikkodi under the leadership of Dr.Padmaraj Patil is extra ordinary with excellent unity. Whole branch works like one family, reaching each other at the time of need.

All the office bearers of IMA KSB participated in mega IMA Hubballi Annual CME, IMA AMS Regional Meet and Golden Moments of IMA Hubballi on 29.05.2022 at KIMS Auditorium, Hubballi. We enjoyed feast of CME and interaction with National President, Dr.Sahajanand Prasad Singh, Hon. Secretary General Dr.Jayesh M. Lele, Imm. Past President, Dr.Jayalal, Past .President and Treasurer World Medical Association Dr.Ravindra Wankedkar and other National Leaders. IMA-AMS Council meeting was conducted in the same venue. National President visited IMA Hubballi branch and unveiled the portraits of Dr B.C.Roy and Dr.V.G.Joshi, (first National President from IMA-KSB from IMA Hubballi branch) and all Past Presidents of IMA Hubballi branch. Later Golden Moments of IMA Hubballi was

celebrated at Hotel Ananth Grand where all National Leaders, State Leaders, State Past Presidents and Past Presidents of IMA Hubballi were felicitated. National President assured that he will pressurise central government to consider our all demands at the earliest.

This month IMA Public Health Sub- Committee arranged webinar on adult vaccination on 03.05.2022 addressed by Dr.Asha Benakappa, Professor & HOD, Paediatrics and Junk food adversely affecting health by Dr.Edwin Dias Professor & HOD, Paediatrics, SSIMS, Mangalore. Tobacco free Karnataka movement in association with CFTFK was conducted at NIHMANS Auditorium to pressurise State government to bring an act to control sale of tobacco products on 31.05.2022.

I attended two programmes conducted by State Health Department, Malaria Day on 25.4.2022 at Victoria Hospital which was inaugurated by health

minister Dr.K.Sudhakar and my self as Chief Guest. On 16/5/22 Dengue Day was observed at Glass House, BBMP was inaugurated by health minister Dr.Sudhakar and my self was chief guest.

On 11.05.2022 and 31.05.2022, I attended RGUHS Academic Council meeting and Syndicate meetings.

National Medical Council (NMC) has placed draft regulation in public domain inviting comments and suggestions on Registered Medical Practitioner (Professional Conduct) Regulation 2022. In this regard our National President Dr.Sahajananda Prasad Singh has constituted a committee for suggestions under Chairmanship of Dr.Vedprakash Mishra. Dr.G.N.Prabhakar, National Chairman IMA-AMS is a member in the committee. Kindly post your suggestions and comments to him or IMA- KSB. It is duty of every one of us to involve and give necessary suggestions. Otherwise it is very difficult to change the rules once it is adopted.

# SECRETARY'S MESSAGE

**Dr. S.M. PRASAD**

*Dear Seniors, Colleagues and esteemed members,*

## **Greetings from IMA KSB.**

It is heartening to know that the expected covid cases are at slow pace. As western countries and some places are experiencing a little rise, not many admissions heard recently. As medical professionals, we need to be more alert till we come to know the predominant virus which can circulate. Need to keep our fingers crossed till we know how fast it spreads & the behaviour of virus in the community. We need to pray that expected virus should be like the previous deviant of 3rd wave Omicron, as ICU and mortality were less. Thanks to the concerned authorities for monitoring and to guiding the public to take full cover of vaccinations and following the SMS facility.

Last month, it was a great occasion that our National President Dr.Sahajanand Prasad Sing, Honorary Secretary General Dr. Jayesh M Lele, Immediate Past National President Dr.J.A Jayalal, Honorary Treasurer of World Medical Association Dr Ravindra Wankhedkar joined the memorable function of IMA Hubballi CME on 28-05-2022.

Thank you all for your activities and take the medical profession to greater heights.

Kindly bring in more Life members into IMA for strengthening as "it is not just the unity which is important but also the number/size of members, one new member a day from the branch" to further strengthen IMA.

## WOMEN VICE - PRESIDENT'S MESSAGE

**Dr Anuradha Paramesh. V**

Greetings to all IMA members from the desk of Woman Vice President IMA KSB.

Sincere thanks to all our Office Bearers & Members for the excellent support. Focus in months of February and March 2022 was on Cancer (Ca). Webinars and CMEs were on Ca prostate, Ca Breast, Ca Endometrium, Ca Cervix. IMA members took active part in Polio eradication Pulse Polio Program held on 27th February 2022. Had the privilege of giving a talk on Health-related issues in adolescence in Abalashram in Basavanugudi, Bengaluru. HPV Genome testing launched on International Women's day month of March, needs to be taken forward by all of us. 20 of our Doctors got Complimentary HPV Tests done, courtesy Trust Well Hospital, JC Road, Bengaluru. Two of the webinar series on Ca Cervix prevention have been conducted so far. I had the privilege of being invited as Chief guest at Trust well Hospital and felicitated at People Tree Hospital and by Apollo Hospital at FPAB CME as Woman Achiever on the occasion of International Women's Day.

International Women's Day Celebrations have been well conducted by WDW Team at Bengaluru, Kolar & Whitefield. Violence against Doctors has been repeating & has taken prey life of Dr Archana Sharma. Candle lighting, black badge protest, talks & webinars & discussions were done about our role in such situations. At IMAHQ, Our Respected National President, Dr Shahajanand Prasad Singh is going all out to get the law enforced during covid pandemic against violence against Doctors to continue in endemic period also. IMA Karnataka State Branch (KSB) 859th State Working Committee (SWC) Meeting & 302nd State Council Meeting (SCM) were held at Gadag on 24th April 2022 & fruitful decisions were taken. Made IMA Branch visits during KSB President's tour to Doddaballapur, Kolar, Whitefield, Yelahanka, Hoskote IMA Branches. More &

more IMA branches have been launching Women Doctors Wing (WDW) Sub Committee of which a mention needs to be made of Kolar & Hoskote WDW. Our respected President Dr. Katil Suresh Kudva Sir has been guiding us to take forward his five projects this year, namely, 1. Adult Immunization, 2. Junk food intake hazards 3. Tobacco intake hazards, 4. Tuberculosis elimination and 5. Water Borne diseases prevention. Kind request to each doctor to spare at least few minutes to talk about the above in his/her practice according to the relevance. Along with COVID vaccination, let us take up other vaccinations such as single lifetime dose of Tdap, 3 doses of Hepatitis B as double dose in high risk cases, yearly Influenza and single dose of Pneumo 13 & Pneumo 23 vaccination in our armamentarium.

Diagnosis, completing treatment, picking up incompletely treated tuberculosis patients, MDR TB, have all been our challenges in TB eradication and needs to be addressed by us. Presidents & Secretaries online meetings on 1st Tuesday, Subcommittee online meetings on 2nd Tuesday, Monthly District Council Online meetings on 3rd Thursdays are being consistently conducted & are being effective in that more & more members are participating & are getting updated on IMA activities & getting their issues resolved. I conclude by requesting all our IMA members to continue to build our strength and integrity with more and more of enrolments as members and making best use of benefits of IMA KSB schemes, unique only to KSB members.

IMA is by IMA doctors, for IMA doctors, of IMA doctors.

So any issues be it, medico legal or otherwise, let's work together to resolve it.

**HAPPY DOCTORS DAY (JULY 1ST) TO ONE & ALL IN ADVANCE.**
