#### Dear seniors, colleague & friends,

#### **!!** Greetings from Editorial board **!!**

We are happy as life members of IMA that IMA Karnataka State Branch and all IMA branch, all office bearers all over the state is taking IMA activities to higher extent. IMA KSB State council members and State working committee members met at Raichur hosted by IMA Raichur branch on 27th April Sunday to discuss and to take important decisions for the welfare of Allopathy doctors as well as forth coming activities.

But, we are unfortunate to know about the terror activities happened at Baisaran valley, Pahalgam, Kashmir on 22nd April, 2025 by 5 armed terrorist on innocent tourists killing 28 & injuring 20 by singling out the victims. It is really shocking to know the state of affairs and deadliest attack after 2008 Mumbai attack. We lost family member of a doctor from Karnataka with others. This incidence has caused a extreme damage to human mankind.

As ambassadors of health care we are coming across more of summer related illness like gastroenteritis, allergic disorder, etc. We need to be more careful about ourselves while managing these issues in the community. Like any one, we also need to be disease free and fit enough to carry out the noble work & to balance the professional as well as the family life.

Ensuring the safety of medical doctors in their workplace is essential, as they often face various risks. Here are some key points on their safety:

- **1. Infection Control** Proper use of personal protective equipment (PPE), hand hygiene, and sterilization protocols reduce the risk of exposure to infectious diseases.
- **2. Workplace Violence Prevention** Hospitals should implement security measures to protect doctors from violent incidents, which can arise from distressed patients or families.
- **3. Mental Health Support** Long hours and stressful environments can lead to burnout; mental health programs and peer support systems help doctors manage stress.

"The greatness of humanity is not in being human, but in being humane." — Mahatma Gandhi

- **4. Proper Ergonomics** Many doctors experience musculoskeletal issues due to prolonged standing, improper seating, or repetitive movements. Workspaces should be designed to minimize strain.
- **5. Radiation Safety** For those working with X-rays and imaging technologies, proper shielding and monitoring ensure they stay within safe exposure limits.
- **6. Legal Protection** Policies should be in place to protect doctors from malpractice lawsuits and provide legal support when needed.
- Emergency Preparedness Training for handling medical emergencies, fires, and disasters ensures doctors are equipped to react swiftly and safely.
- 8. Adequate Rest & Breaks Work schedules

Jai Hind

Jai Karnataka

should allow for proper rest periods to avoid fatigue, which can compromise both their performance and well-being.

The month of May 2025 is also loaded with many of the important days for awareness like world hand hygiene day(May 5), World asthma day (May 6), World Thalassemia day (May 9), International Nurses day(May 12), World malaria day (May 25), World No Tobacco day (May 31). We request IMA members in Karnataka taking part & conducting the above activities, kindly send your write ups through your IMA Branches to imafocus@gmail.com.

Also, encourage more of your allopathy medical friends to join as Life members of IMA to reap the benefits of IMA & all the schemes of IMA Karnataka State branch as well as schemes at the IMA Hqrs protecting you and your family members.

#### Long Live IMA

# IMA Hq. Building Fund Contribution

We have received E-mail letter from IMA Headquarters regarding Re-Building of IMA Headquarters existing Building situated at I.P. Marg, New Delhi. As discussed and deliberated in the 882nd State Working Committee Meeting held on 10.11.2024 it is decided to contribute from IMA Karnataka State Branch for the same.

In this regard we kindly request you to contribute from Local Branches of IMA in Karnataka and we will send all Local Branches contributed amount to IMA Headquarters for Re-Building of existing Building IMA Headquarters, New Delhi. You can transfer or pay your contribution amount to the following Account Number or use herewith attached QR Code to transfer the amount and let us know the Transaction details. Dear Colleagues,

- 1. Wish you all happy BASAVA JAYANTHI 12th century. Mahamanavatavadi Sri Basaveshwara was responsible for the formation of ANUBHAVA MANTAPA, equal to the present PARLIAMENT. He preached the principle of WORK IS WORSHIP (ಕಾಯಕವೇ ಕೈಲಾಸ). He was the person to give equality and empowerment to women and to abolish the caste and religion. All the men and women are equal. Let's follow his teachings in our life.
- 2. 22nd April was the BLACK DAY for all the INDIANS. Innocent 26 TOURISTS in Pahalgam Kashmir were killed by the Pakistan supported TERRORISTS. This is the BARBARIC & HEINOUS ACT which is to be condemned by every INDIAN and the CENTRAL GOVERNMENT to take an appropriate action & book the culprits. Such heinous acts to be curbed should not be recurred in future. Let us prav in Almighty to give the peace to the departed souls and strength to families to bear the sudden loss. All the branches of IMA KSB protested this heinous act by CANDLE LIGHT PROCESSION.
- 3. Within 2-3 months many of the hospitals in Karnataka are going for KPME RENEWAL & few new hospitals for registration. The Karnataka Government has made FIRE SAFETY NORMS MANDATORY for all hospitals irrespective of small single Doctor clinic or big hospitals. It's a DRACONIAN LAW because it is not possible to follow its norms. This has become a HURDLE for all hospitals. To get it solve the IMA, PHANA & KPMEA association's representatives met Sr Dinesh Gundurao, Hon. Health Minister, Health Commissioner Sri Harsha Gupta and Fire department officials. Minister listened and discussed with the officials to solve this problem. We have given a memorandum that 1. Hospitals above 21 meters Fire NOC mandatory 2. Below 21 meters according to. KPME level 1& 2 total Exemption & level 3 hospitals only Comprehensive certificate-no NOC. This is the memorandum submitted to Government and Fire Department. We are waiting for their response.
- 4. We are planning to meet Home Minister Sri G.Parameshwar as Fire Department comes under him and apprise the problem.

"To deny people their human rights is to challenge their very humanity." — Nelson Mandela

- 5 I am sorry to inform you that past president of IMA KSB Dr I S Patil expired on 23.04.2025. Let his soul rest in peace.
- 6. This month I visited the following branches-Dharwad, Belagavi, Sankeshwar, Nippani, Chikkodi, Gokak, Savadatti, Bailhongal, Ramdurga, Ugar-Khurd, Kudachi-Raibag, Harugeri, Athani, Ilkal-Hunagund, Bagalakote, SNMC Bagalakote, Jamkhandi, Mudhol, Mahalingapur & Badami. On 26th April I visited the Navodaya Medical college and Raichur institute of medical sciences and addressed the medical students. Formed two separate MSN units & RAICHUR IMA branch.
- 7. On 27.04.2025 there was a State Council meeting at Raichur. It was well organized. IMA Raichur branch is one of DYNAMIC AND VIBRANT branch. Since 30 years they are maintaining BLOOD BANK & Raichur district Biomedical Waste Management since 11 years.
- 8. There was felicitations at Kalaburgi along with Dr.C.N.Manjunath, cardiologist and Dr.Dilip Bhanushali, National IMA President on 2nd & 3rd May by IMA, API, MESART and MRMC.

#### Wishing you all the best

#### Jai Hind!

Jai Karnataka!

Long live IMA!

#### "Success is a journey not a destination"

I extend my deepest condolences for the innocent lives tragically lost in Pahalgam. Words fail to capture the horror of such heinous terrorist acts, and the loss remains irreparable to the bereaved families, who will need years to heal from this tragedy. In response, the Indian Medical Association (IMA) branches across Karnataka have expressed profound anguish, offered their condolences, and prayed for divine strength to comfort the grieving families.

Current discussions within the IMA revolve around the Fire No Objection Certificate (NOC) issues faced by doctors, hospitals, and clinics. The Honorable Health Minister has arranged a meeting with IMA, PHANA, KHPA, and KPMEA, given the severe implications of these challenges, particularly the pending KPMEA renewals linked to the fire NOC, yet to hear from government

The recent State Working Committee meeting in Raichur, under the distinguished leadership of Dr. V.V. Chiniwalar, was a resounding success, marking the discourse on several critical matters. I am pleased to announce that the Medicolegal Conference is scheduled for June in Gadag, under the stewardship of IMA Gadag President, Dr. Pavan Patil. I commend IMA Gadag for this extraordinary initiative and urge everyone to register.

Secretary's Messag

In collaboration of IMA with WHO, an HPV vaccine program is underway, and I strongly encourage all members to participate actively in this social initiative. It's indeed gratifying to learn that over the last six months, more than 1,000 new members have registered; however, we must aim for broader engagement. Just as a driving license and insurance are mandatory for vehicle operation, IMA membership is imperative to confront challenges such as violence against doctors and to benefit from superior social security personnel protection and health schemes compared to any private options.

I express special appreciation to IMA Raichur for their outstanding hosting of the SWC meeting. Their exemplary hospitality, coupled with having over 600 members, a dedicated building, a blood bank, and waste management facilities for clinics and hospitals, undoubtedly makes it a model IMA branch.

As we face ongoing challenges, we remain resolute in overcoming them and supporting the medical community. May the Indian Medical Association continue to thrive.

## Dear esteemed members of IMA Karnataka, !!Greetings from IMA-KSB!!

Our branch visit along with Dr VV Chiniwalar, President of IMA Karnataka State branch visited IMA Kunigal, Tiptur, Arsikere, Kadur-Berur, Tarikere, Chikkamagaluru, Koppa and Therthahalli. These branches have their own IMA buildings and we have enlightened the IMA membership drive, especially for junior doctors about the IMA schemes, KPPS, KSSS, KSHS, GST and IMA registration under society act, PAN card, national IMA building fund, etc. These were discussed in detail.

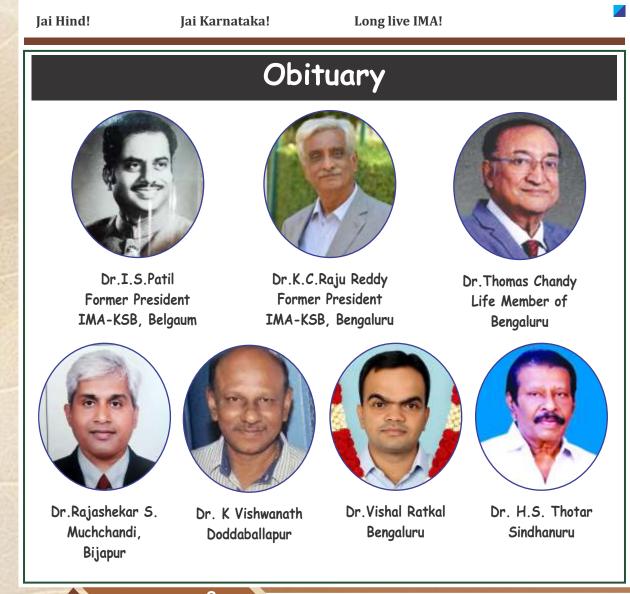

World Cancer Day: I attended the IMA-KSB World Cancer Day program successfully organized 'Cancer awareness rally' and addressed the gathering and health education was given regarding various aspects of cancer disease especially regarding tits control and prevention and raised the awareness of cancer preventing vaccination. More than 250 persons participated in the rally. I congratulate DrSuriraju.V, Hon. State Secretary IMA-KSB for organizing this program which was a huge success. I attended the successful vaccination program against cervical cancer which was organized by IMA-KSB MSN in collaboration with Serum Institute of India. The significance of cervical cancer prevention through vaccination was highlighted. The pubic were educated about the role of vaccines in the disease prevention. More than 300 persons were vaccinated. International Woman's Day celebration was held at IMA-KSB under the leadership of Dr.V.V. Chiniwalar and organized by Vijayasarathi, Chairman of DASS committee. Active participation from IMA-KSB members, students from Sapthagiri Medical College and individuals from public participated.

The empowering slogan 'Save Girl Child' was highlighted. On 26thApril 2025, I visited to Raichur Navodaya Medical College and RIMS, Raichur along with Dr. V.V. Chiniwalar, President of IMA-KSB. Dr.Madhusudhan Kariganur, Chairman KPPS explained the final year medical students about the membership drive, IMA schemes, preventive measures of the disease and first aid treatment. On 27thApril 2025, I attended the 313th State council meeting at Raichur. All IMA office bearers were present. Various topics were discussed in detail regarding fire safety, NOC, HBV vaccination, membership drive, GST and KPME act. We congratulated IMA Raichur for the excellent arrangement. We are happy to announce that IMA Mandya branch in collaboration with MIMS Mandya is organizing state level singing competition for IMA members, doctors and medical students and non-medical spouses of IMA members "IMA VOICE OF KARNATAKA 2025" on 10th& 11th May 2025 at MIMS Auditorium, Mandya. We thank the tremendous effort by Dr. Jahnavi, Dr.Bindiya, Dr.Hugar, Dr. Vinay, Dr.Jagadish (senior pediatrician), Dr. Krishnappa (senior ENT surgeon), Dr.Siddegowda and others.

We are happy to announce that IMA Mandya branch has completed the

construction work of the new IMA Hall. It is slated to open on June 2025.

We thank the tremendous effort by Dr.Nandish (senior surgeon), Dr. Guptha (senior pediatrician), DrJagadish (senior pediatrician), Dr. Krishnappa (senior ENT surgeon), DrKakkilaya, DrSiddegowda and others in completing this mammoth task.As it is summer season, I request everyone to hydrate yourself.

"Life's most persistent and urgent question is, 'What are you doing for others?'" — Martin Luther King Jr.

#### Branch : Raichur President : Dr.SriShaileshS.Amarkhed Secretary : Dr.SushritA.Neelopant

On 21.03.2025, Blood donation camp was held on the occasion of birthday of Dr. Ramakrishna M. R. A total collection of 41 units of blood was done. Installation of water filter and water cooler: IMA Raichur installed a water filter and cooler at Rajiv Gandhi Super Specialty Hospital (OPEC) to provide clean, cool drinking water for patients and attendants. This thoughtful contribution enhances public health facilities and reflects IMA's ongoing dedication to community service and improving patient comfort in government healthcare institutions. A Mega Health Camp was successfully organized on 13th April 2025, providing a wide range of healthcare services to the community. The initiative aimed to ensure accessible, comprehensive, and quality medical care to

the public, free of cost. Services Provided: The camp offered the following specialties and diagnostic services: Specialist Consultations: General Check-up, General Medicine, Obstetrics & Gynecology, General Surgery, Pediatrics, Orthopaedics, Ophthalmology, Psychiatry, Dermatology, ENT, Urology, Cardiology, Neurology, Nephrology, Pediatric Surgery, and Plastic Surgery. Diagnostic & Support Services: Free Laboratory Investigations, ECG, ECHO. Free distribution of essential medicines. We extend our heartfelt gratitude to the administrators, doctors, and paramedical staff of the following institutions for their active participation and exceptional support: Rajiv Gandhi Super Specialty Hospital (OPEC), Raichur, Raichur Institute of Medical Sciences (RIMS), Raichur, Navodaya Medical College, Raichur, Department of Health & Family Welfare, Raichur, Robbins and Cotrans Diagnostic Centre, Arogya Diagnostic Centre, SKE Paramedical College, Navodaya College of Physiotherapy and All Private Practitioners and Hospitals. Their collaboration and seamless coordination ensured the smooth conduct of the camp. Approximately 400 patients availed the services provided during the camp, receiving timely medical attention, essential diagnostics, and medications - all at no cost. This collective effort stands as a testament to the spirit of community service and inter-institutional cooperation, marking another step towards a healthier society.

# IMA KSB State Working Committee Meeting - Report

I whole heartedly thank the IMA Raichur team, under the leadership of President Dr. Srishailesh Amarkhed, for for hosting the 885th SWC and 313th SCM meetings. The SWC and State Council meetings were a success due to your cooperation and total involvement. On behalf of IMAKSB, I thank you for the hospitality and other arrangements, including transportation and the visit arrangements to Mantralaya. Your branch is an inspiration for many others, serving as a role model. The IMA branch, your building, blood bank, and waste management initiatives were a pleasure to witness, having elevated IMA to new heights. Thank you.
