Report of IMA Focus: Editor: Dr.S.M.Prasad

With the tremendous support extended by the members of the Editorial board of IMA Focus for the year

2024-25, we have successfully brought out 12 issues of the magazine till now. I am happy & proud to state that every member across the state keenly awaits the release of the issue every month on all the online platforms.

After taking charge from November 1st, IMA Focus – our monthly magazine of IMA KSB has rolled out every 3rd -6th of the month like before.

Cover Page and Center pages multicolor magazine has been continued from the previous year committee.

The IMA local branch monthly activities reports who have reached our email ID: imafocus@gmail.com before 20th of the have been printed (from 21st of the previous month to 20th of the present month).

Exclusive and interesting pages of travelogue of the month from previous year continued, wherever the write ups have been received in time.

New exclusive page has been added for creating & encouraging of our member's health "Know your Fit Doctor" (interview based platform on the sport and athletic achievement by individual member) when received in time.

The "thoughts & phrases" by well persons on health, fitness, communication, emotional well-being, etc. have also been included this year as subtitles in the bottom page.

Different Topics of burning issues and tips for medical professionals in short is written in the monthly editorial.

Further Plans:

- a. To update the registration for RNP (Registrar of Newspapers) to reduce the cost of postage (as monthly postage charges for hard copies for 1200 committee members have been rolled back by GPO). Discussion with the concerned persons have revealed how to do online procedure with the expert in the field. Their databases mention the names of Hon State Secretary & Editor who were there 10 years back. Now the present Editor name & Hon State Secretary name have to be included. These names cannot change every year in their records as we change after IMA-KSB elections. This might incur some service charges for logistics to the area expert. Most of the work of the process is getting over as still the online verification & change of old mentioned office bearers to new office bearers of IMA FOCUS with OTPs having issues. Effort is on with the known vendor in the same field, who is getting it done.
- b. To reduce the monthly cost of Printing (whenever the monthly magazine sponsors are limited): Keeping the circulation of softcopies as previously but to include the black and white inner pages but keeping ONLY COVER PAGE, ADVERTISE PAGE, ACTIVITY PHOTO PAGES can easily reduce the financial burden to the IMA FOCUS. Editorial board thank President Dr. V. V. CHiniwalar, Hon State Secretary Dr. Suri Raju.V and Hon Treasurer Dr.Shankaranarayan for agreeing for the above changes to save nearly 25,000/- to 28,000/- per month, issues of IMA Focus.
- c. Attempts are being made to create a software platform where IMA local branches can upload their activities online at the individual branch itself. This will further bring down the cost of editing at printer level to give a ready page for monthly soft magazines then & there itself. This might incur some charges for software development initially.

Efforts are being made to get the sponsorship for the magazine. Many institutions are being requested. We request the IMA life members who are running the establishments to take the opportunity to advertise in IMA FOCUS. IMA members can avail for discounted rates by communicating with the Editor.

Report of Antiquackery Sub-Committee: Chairman: Dr.Sandeep Prabhu:

I have been continuing as the chairman of the Antiquackery subcommittee for the past 3 to 4 years and I am repeatedly repeating the same issue of non-formation of registration and grievance committee as per norms at every district.

In the absence of the registration and grievance committee in a proper format in most of the districts it becomes very difficult to prosecute the quacks who are raided and against whom a FIR has been registered.

In July the Karnataka High Court headed by the honourable Justice NagaPrasanna has passed a very severe judgement criticising the quacks for endangering the lives of the public. On 26 /8/2025 the government of Karnataka has issued orders for the prosecution of the quacks and circulated it to the various departments including the mention of fines and imprisonment. But the entire effort fails to bear fruit in the absence of the registration and grievance committees.

I in my previous and the present in your have tried to communicate personally as well as through letters to various district IMA presidents to initiate the formation of the registration and grievance committee but the will and the determination to do so is severely lacking.

When IMA KSB communicates with the health and family welfare officers for the prosecution of the quacks they very clearly point out that in the absence of the registration and committee in various districts being non-functional they become helpless for the prosecution and forwarding of the cases to the various courts under the KPMEA act.

I would like to point out one instance where in I received a complaint from the President of IMA Bhatkal saying there was a clinic which was run by a Quack and illegally functioning and out complaint to the incharge of the KPMEA in Bangalore the files were verified and found to be authentic later on the THO of Bhatkal spoke to me saying that it was a matter of personal vendetta in which the President of Ima Bhatkal was harassing her and in spite of she raiding the premises repeatedly and finding no problem a personal problem became a headache for the IMA KSB.

The dermatology Association of India and its branch in Karnataka on receiving numerous complaints of abuse of antifungal creams leading to antifungal resistance as well as use of lasers in boutiques and other skin therapy centres without KPMEA and also by various doctors who have received formal training but not lasers was not included in the curriculum has approached the health and family welfare department and initiated a series of raids across Karnataka.

These raids on various dentist dermatologist Ayush Dermatologist beauty centres and slimming centres as well as hair transplant centres has eluded a lot of a lot of FIR being filed. From IMA KSB can use this data and try to initiate prosecution of various quacks.

The Karnataka Medical Council under the chairmanship of our past president Dr Yoganand Reddy has also initiated steps and pressurise the government to bring about major changes in the KMC act which allows the registrar of the KMC to initiate so Motu proceedings against quacks on receipt of proper complaints.

We request all the members of IMA KSB to utilise this facility and form give a proper documented complaint to the Karnataka medical Council.

The health and family welfare in response to a letter from IMA KSB for proper demarcation of the Ayush and modern medicine clinics had initiated the display of prominent boards mentioning the speciality and the contact person and the KPMEA number so that the clinics can be examined even when the door is locked and identified whether they are registered or run by quacks but in my knowledge a very few districts have come out with where is stellar performance in doing this and others there is a total neglect of this.

I request IMA members to initiate this process of displaying the words prominently so that we can press for identification of the unregistered clinics and initiate proper action.

I in spite of sending repeated letters to the various IMA branches and the presidents to give information of quacks in any of the districts and in their notice have till today not received a single proper formatted complaint this saddens me and makes me feel whether this effort is worthwhile.

There have been instances where on prosecution and are legal clinics and PCPNDT the quacks being arrested and put in jail and on receipt of the bail being taken in procession in their place which again makes us feel whether the people do they deserve real proper qualified healthcare or are they more satisfied with the quacks.

This dilemma makes us wonder whether are we fighting for the survival of our profession and our juniors or are we fighting for the betterment of the public which we believe is gullible but are they gullible or are they smart I think only time can tell.

With these words I wish to request and ask all the members present in this assembly to initiate the registration and grievance committee till then the efforts of the Antiquackery committee will not bear any fruits.

I thank our president Dr Veerabhadrappe V. Chiniwalar our Hon. State Secretary Dr.Suriraju.V our treasurer and all the state working and Central working committee members as well as the vice president and all the members of Antiquackery who have been extremely cooperative and help me to do my work in my tenure

Turning Heat into Hope – IMA KSB's Leadership in the Fire NOC Challenge

From Crisis to Consensus – IMA KSB's Fire NOC Advocacy Gains Momentum

IMA KSB's Persistent Advocacy Under the Leadership of President Dr. V. V. Chiniwalar

Report by: Dr. Suriraju V, Hon. Secretary, IMA KSB

Background

When the Government of Karnataka made Fire NOC compliance mandatory for KPME registration renewal, it created a serious challenge for private hospitals across the state.

Most small and medium-sized hospitals found it nearly impossible to meet the stringent infrastructure norms, high costs, and complex procedures involved.

Recognizing the grave impact on healthcare delivery, IMA Karnataka State Branch (IMA KSB), under the visionary leadership of President Dr. V. V. Chiniwalar, took up the issue as a top organizational priority to safeguard the interests of doctors and hospitals while upholding patient safety.

Timeline of IMA KSB's Efforts

January 2025 – Immediate Response

IMA-KSB promptly extended support to all affected hospitals and clinics.

Members were advised not to panic or resort to unfair practices, and were assured that IMA KSB would handle the matter through official engagement with government departments.

February 2025 – Awareness and Representation

All local branches were instructed to meet Deputy Commissioners, MLAs, and MLCs to highlight the hardships caused by the Fire NOC mandate.

IMA urged the Government to delink Fire NOC from KPME renewal, explaining that nearly 90% of hospitals could not comply under the current norms and fee structures.

3 March 2025 – Meeting with the Hon. Health Minister

A delegation led by Dr. V. V. Chiniwalar, accompanied by Dr. Suri Raju V and Dr. Shankarnarayan, met Hon. Health Minister Sri Dinesh Gundu Rao.

IMA KSB explained that the new regulations were impractical and financially burdensome for smaller hospitals.

On IMA's request, the Minister convened a joint meeting with Health and Fire Department officials.

IMA strongly presented its case regarding exorbitant fees and impractical rules.

Although no final decision was made, the meeting marked a significant step in official engagement.

April – May 2025 – Political Engagement and Mobilization

Dr. Suri Raju V met Hon. Opposition Leader Sri R. Ashok and Dr. C. N. Ashwathnarayan, who both extended full support and assured that the issue would be raised in the Legislative Assembly.

IMA Raichur members met Health Minister Sri Dinesh Gundu Rao at Raichur, while IMA Tumakuru members met Home Minister Sri G. Parameshwar at Tumakuru, apprising them of the crisis.

Continuous circulars and updates were issued by IMA KSB to maintain unity and awareness across branches.

10 June 2025 – Meeting with the Hon. Home Minister

A high-level IMA KSB delegation met Sri G. Parameshwar, Hon. Home Minister, seeking his personal intervention to coordinate with the Health Department for a solution.

The Minister assured positive consideration at the government level.

1 July 2025 – Doctors’ Day as a Platform for Advocacy

During the Doctors’ Day Celebration organized by IMA KSB, the Fire NOC issue was prominently highlighted.

Dignitaries present included:

Sri Dinesh Gundu Rao, Hon. Health Minister

Dr. Ashok B. Hinchigeri, Law Commissioner, Government of Karnataka

Dr. Srinivas NT, MLA, Kudligi

The Health Minister acknowledged IMA’s concerns and called for a review of the Fire NOC regulations.

A follow-up meeting at Arogya Soudha was convened, where IMA submitted constructive suggestions for a practical, hospital-friendly framework— including five-year validity and self-declaration options for smaller hospitals.

19 August 2025 – Joint Government Meeting at Vidhana Soudha

A joint meeting was chaired by Home Minister Sri G. Parameshwar and Health Minister Sri Dinesh Gundu Rao.

Participants included several senior IMA leaders:

Dr. Srinivas NT, Dr. Dhananjay Sirji, Dr. Ranganath (MLA), Dr. V. V. Chiniwalar, Dr. Suri Raju V, Dr. Veerabhadraiah, Dr. Madhusudhan Kariganur, Dr. Shankarnarayan, Dr. Pavan Patil, Dr. Vivek Dorai, Dr. Shobhaprakash, and others.

IMA KSB reiterated the practical difficulties faced by small and medium hospitals in meeting current fire safety norms.

The Health Department concurred that a one-size-fits-all approach was not feasible and agreed to review the rules.

Legal Consultations

Dr. Chiniwalar, Dr. Veerabhadraiah, and Dr. Suri Raju V met Justice Ashok B. Hinchigeri, Chairman, Karnataka Law Commission.

Justice Hinchigeri provided valuable legal guidance, suggesting possible High Court intervention if administrative solutions proved unsatisfactory, and assured full support to IMA’s cause.

IMA KSB’s Key Representations to the Government

1. Delink Fire NOC from KPME renewal.

2. Extend Fire NOC validity to once every five years.
3. Exempt small clinics from mandatory Fire NOC.
4. Introduce a self-declaration system for small and medium hospitals.

Current Status (October 2025)

The Government of Karnataka has constituted a special committee to review the Fire NOC issue and propose hospital-friendly solutions.

IMA KSB continues to actively engage with the committee and government departments for a favorable resolution.

A dedicated follow-up team within IMA KSB is continuously coordinating with policymakers to ensure the issue remains a top priority.

Conclusion

Under the visionary leadership of Dr. V. V. Chiniwalar, IMA KSB transformed the Fire NOC issue into a statewide advocacy movement that unified the medical fraternity and engaged government authorities at multiple levels.

With three meetings with the Health Minister, two with the Home Minister, and several joint department sessions at Arogya Soudha and Vidhana Soudha, IMA KSB has made consistent, credible progress.

The combined efforts of Dr. Srinivas NT, Dr. Dhananjay Sirji, Dr. Veerabhadraiah, Dr. Suri Raju V, and other dedicated leaders ensured that the issue remained alive in the Legislative Assembly and within the corridors of administration.

IMA KSB remains steadfast in its mission — protecting the interests of doctors and hospitals while ensuring that fire safety compliance is practical, affordable, and achievable for all healthcare providers across Karnataka.

Martyrs Day: A Tribute to unity and sacrifice

On 30.01.2025 at 7.00 P.M to 8.00.P.M: IMA-KSB extends our heartfelt gratitude to everyone who came together in unity to honor the dedicated doctors who sacrificed their lives in the line of duty, saving countless COVID-19 patients. Your gesture of lighting candles at branches, hospitals, and institutions is a profound testament to their selflessness and commitment.

In response to the call from the Indian Medical Association, Headquarters and State Branch on COVID martyrs Day, we stand together in remembrance of these heroic individuals. May their souls rest in peace, and may we continue to honor their legacy by upholding the values of compassion, dedication, and service in our own lives.

On behalf of IMA KSB, I thank to all Past and present office bearers of State and Local Branches and all the members. I am also thankful to all our office staff for their secretarial help.

I thank one and all for patient listening.

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Association in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

PATHI RAJAVARDHAN & CO

Chartered Accountants

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is included in Appendix I of this auditor's report.

APPENDIX-I TO THE INDEPENDENT AUDITORS REPORT

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

This space has been left intentionally

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ಭಾರತೀಯ ವೈದ್ಯಕೀಯ ಸಂಘದ ಪ್ರಾರ್ಥನೆ

ಎಲ್ಲರೂ ಸಂತೋಷವಾಗಿರಲಿ,
 ಎಲ್ಲರೂ ಆರೋಗ್ಯವಾಗಿರಲಿ,
 ಎಲ್ಲರೂ ನೋವಿನಿಂದ ಮುಕ್ತವಾಗಿರಲಿ,
 ಎಲ್ಲರೂ ದುಃಖದಿಂದ ಮುಕ್ತವಾಗಿರಲಿ,
 ಎಲ್ಲಾ ಆಸೆ ಆಮಿಷಗಳನ್ನು ಮೀರಿ
 ಗುಣಪಡಿಸುವವರು ನಾವಾಗಿರಲಿ.

IMA PRAYER

May everybody be happy
 May everybody be healthy
 May everybody be free from pain
 May everybody be free from sorrow
 May we be the healing cure
 Beyond every greed & lure

ಧ್ವಜ ವಂದನೆ

ಭಾರತೀಯ ವೈದ್ಯಕೀಯ ಸಂಘದ ಸದಸ್ಯರಾದ ನಾವು ನಮ್ಮ ರಾಷ್ಟ್ರಧ್ವಜಕ್ಕೆ ವಂದನೆ ಸಲ್ಲಿಸಲು ಇಲ್ಲಿ ನಿಂತಿದ್ದೇವೆ.
 ಅದರ ಗೌರವ ಮತ್ತು ವೈಭವವೇ ನಮ್ಮ ಬೆಳಕು ಮತ್ತು ಶಕ್ತಿ ಮತ್ತು ಅದರ ಪಥವೇ ನಮ್ಮ ಪಥವು.
 ಈ ರಾಷ್ಟ್ರೀಯ ಸಂಸ್ಥೆಯ ಮಾನ್ಯತೆ ಪಡೆದ ಸದಸ್ಯರಾದ ನಾವು ನಮ್ಮ ಜವಾಬ್ದಾರಿಗಳನ್ನು
 ಅರಿಯುವ ಮೂಲಕ ಅದಕ್ಕೆ ನಮ್ಮ ನಿಷ್ಠೆಯನ್ನು ತೋರಿಸುವ ಪ್ರತಿಜ್ಞೆ ಮಾಡುತ್ತಿದ್ದೇವೆ.
 ದೇಶಸಮೂಹಗಳ ನಡುವೆ ನಮ್ಮ ರಾಷ್ಟ್ರಧ್ವಜವು ಉನ್ನತ ಮಟ್ಟದಲ್ಲಿ ಹಾರಾಡುವ
 ಸಲುವಾಗಿ ನಮ್ಮ ಅಧಿಕಾರದಲ್ಲಿರುವ ಎಲ್ಲವನ್ನೂ ಅದಕ್ಕೆ ಸಮರ್ಪಿಸುವ ಪ್ರಮಾಣ ಮಾಡುತ್ತಿದ್ದೇವೆ.
